Urged support of our colleges. "We have already sent some students home who drink". Our goal is to develop the student as a whole. We work on the full head and full heart. Rev. Alex L. missionaries would be a good time to go ahead with definite plans. I understand we have some \$1300.08 ear marked for this purpose.

I move that the Green River Association secure a house for the associational missionary by building or buying a house and that the matter of securing a house for the associational missionary be placed in the hands of the Missions Committee with instructions to do the thing that is best of the following:

1. To buy land and have a house built
2. To buy land for both a house and an office and have a house built first and later an office, when possible.
3. OR — To buy a house already built providing it has been built recently, is in good condition, etc. "(copied motion)

Discussion: At present time we are paying \$800.00 per year for housing, this amount, not including the utilities, if we continued to pay the same, over a:
 . . 20-year period our association would be paying \$16,000.
 . . 30-year period, we would be paying \$24,000.
 . . 40-year period, we would be paying \$32,000.

At the end of this time we still would not have an Associational Parsonage for our association. There are 7,257 resident members in our Association. If each gave \$1.00 over a period of time, that amount would be \$7,257. If each gave \$5.00 over a period of time, that amount would be \$36,285. In addition there is the \$1300.00 earmarked for this purpose. This motion was seconded by E. C. Revis, pastor of Oak Springs church.

Questions: W. E. Hill asked "What is the job of the Associational Missionary? Desagreed with moved made by Jones. R. E. Price: "The question is not what the missionary does."

(d) Business of Employing an office secretary: Billy D. Martin, asks "When and if we get a new missionary, will he have the right to select his own secretary?" Guy Johnson of Main Street: "Does the Missions Committee and Finance Committee have the green-light?" and "There may be adjustments in salary." Moderator: "It rests in the hands of the Committees." Billy Marin: "What I want to know is what to be able to tell the new missionary if he should ask us this question, will we tell the new missionary, the secretary is subject to him or to the Association?" Time expired. R. F. Mayberry made a move to return to the order of the day. Carried.

 2. The things that Paul gloried in the world despises.
 3. Why did Paul make this statement: "God forbid that I should glory save in . . . ?"
 - A. He found pardon at the cross.

WRITTEN MOTION

I would like to see our Association give serious consideration to the matter of securing a house for our associational missionary. I believe that this interim period of associational missionaries would be a good time to go ahead with definite plans. I understand we have some \$1300.00 earmarked for this purpose.

I move that the Green River Association secure a house for the associational missionary by building or buying a house and that the matter of securing a house for the associational missionary be placed in the hands of the Missions Committee with instructions to do the thing that is best of the following:

- OR 3. To buy a house already built providing it has been built recently, is in good condition, etc.

Respectfully Submitted,

Jim Jones (Pastor, Camp Creek Church)

(DISCUSSION)

At the present time we are paying \$800.00 per year for housing, this amount not including the utilities,

At the end of this time we still would not have an associational parsonage for our association.

There are 7,257 resident members in our Association. If each gave \$4.00 over a period of time, that amount would be \$29,028. If each gave \$5.00 over a period of time, that amount would be \$36,285. In addition there is the \$1300.00 earmarked for this purpose.

WRITTEN MOTION - MADE AT MEETING

Sensing the need for a thorough study of the constitution of our association that it might be a more perfect instrument for guiding our associational affairs, I recommend the following resolution:

Be it resolved that the Green River Baptist Association respectfully request the Committee on Constitutional Changes be asked to make a thorough study of our associational constitution and by-laws; and that this Constitution Committee be instructed to report at the next annual session of the Association making recommendations of any revisions they deem advisable.

REPORT OF ANNUITY BOARD

The Southern Baptist Protection Plan

For the first time in two years, all ministers who are not enrolled in the Southern Baptist Protection Plan are being informed about its benefits. A direct mail campaign has been conducted to give ample information to prospective ministers in each state convention.

The Southern Baptist Protection Plan provides benefits for age, disability and widow. Cost for the protection is based on the minister's salary, and is 10% of any amount up to \$4,000. a year. The minister's church is encouraged to pay the total cost. In some cases the minister and church share the cost. The maximum amount a church can pay in the basic plan is \$400. a year if its minister is under 60 years of age.

The Health Benefit Plan

Enrollment has reached 10,054 in the Health Benefit Plan. During the past year, promotional emphasis has been placed on this plan.

The Health Plan is an all-inclusive program of hospital, surgical and major medical benefits. Enrollment is open on a semi-annual basis. The next enrollment will be open early in the fall with the deadline on November 30, 1966.

Benefits Paid

In 1965, almost \$4 million was paid in age retirement, disability or widow benefits to annuitants through the Annuity Board's protection program. The annuitants' checks vary in amounts, depending on the length of time each was a member and the amount of dues he paid.

since the beginning of the Annuity Board in 1918, almost \$51 million has been paid out in benefits which annuitants have termed "manna from heaven".

Members In Annuity Board Plans

Today more than 16,660 churches are providing protection through the Protection Program for their ministers. Approximately 10,764 of these churches paying the 10% dues.

There are seven states with 70% or more of the churches in the Program. At present, North Carolina has 48% of the churches in the Protection Program for ministers.

Green River Baptist Association has twenty-two churches in the Annuity Program. Rev. Guy Cain promotes the Protection Plan in North Carolina. He is jointly employed by the Annuity Board and N. C. Baptist Convention. For any information about any of the plans in the Protection Program, contact Rev. Guy Cain, 301 Hillsboro Street, Baptist Building, Raleigh, N. C. 27603, or write to: Annuity Board, 511 North Akard Building, Dallas, Texas. 75201.

BAPTIST FOUNDATION REPORT

The Baptist of North Carolina are beginning to understand the use and workings of the Baptist Foundation. The year 1966 has been a good year for the Foundation, for which we are eternally grateful.

The pastors over the state are doing a wonderful job in helping to promote and in-form the people to the workings of the Foundation. Also, many of our lay friends lawyers, bankers, and trust officers have been a great help in explaining to the people and promoting our work.

During the year, the assets of the Foundation have increased to approximately one million dollars. Many people are setting up Memorial Funds, Trust Agreements, and taking every advantage of the many services offered.

The foundation is glad at all times to answer questions, give information and assist in any way possible. We sincerely ask for your prayers and hope in the future you will make use of the North Carolina Baptist Foundation.

REPORT OF BAPTIST HOMES FOR THE AGING

Following is a list of churches in Green River Association donating to the Baptist Homes for the Aging: July through June 1966 —

Big Level	\$ 10.00	Reflection on the past of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report.
Bills Creek	11.83	
Cane Creek	60.00	
Chimney Rock	29.25	
Columbus	38.00	
Green Hill	22.75	
Hickory Grove	48.50	
Mill Spring	15.00	
Mount Vernon	3.00	
Oak Springs	22.00	
Pleasant Grove	10.00	During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of N. C. Baptists, through the Special Day Offering received on the third Sunday of February each year, and through our share in the Co-operative Program.
Pleasant Hill	11.12	
Rutherford First	48.00	
Southern	100.00	
Westminster	6.00	The large majority, at least 85% have benefitted directly from these gifts and have actually been sustained at the point of their financial need.
Total:	\$435.45	

The Special Day Offering for 1966 is at an all time high and looks as if it might be \$100,000. for the first time. We must forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

There have been fewer deaths than previously and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to a hospital. She is Aunt Fannie Drum-Wright, who celebrated her 105th. birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to

This ministry of love, in Christ's name is dependent upon the concern, the love, the prayers, and the increased financial support of N. C. Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

Rev. C. E. Bradshaw

REPORT ON CHRISTIAN EDUCATION

There seems to be much evidence in the world today that moral and spiritual progress, if we are actually making progress in these areas, is not keeping pace with progress in the scientific and material realm. Many think the spiritual level in America is at an all time low.

The situation itself emphasizes the need for more and more Christian Education. In addition to the program in our churches, supported and supplied by State and Southern conventions, North Carolina has seven excellent colleges in which programs of the highest Christian character are provided for all who can enter. Here are teachers and administrators of the finest type, dedicated to wholesome Christian instruction; here are students of integrity and spirituality whose influence is a constant challenge to dedicated service for our Savior.

To these colleges should go more and more of our young people; for from these institutions come most of our Christian leaders.

At present these seven colleges cannot accomodate nearly all the young people who want to attend them. As we increase our contributions to Christian Education, we shall assure more Christian leadership for our several communities.

This is one of our greatest needs today.

Respectfully submitted,
J. J. Tarlton

CHRISTIAN LITERATURE REPORT

The saying that the pen is mightier than the sword sure could be used as far as the Christian Literature that is published by our own State and the Southern Baptist Convention. Our State Paper, The Biblical Recorder can be of great help to the pastors and laymen as it has news of the churches, evangelistic conferences, the Sunday School lesson, and other information that each person in the state should be interested in.

The Home and Foreign Mission Magazines give us reports on how the work of Southern Baptists work is progresing in the U.S. and to even, as Jesus said to carry this gospel to the utmost parts of the whole world.

The Sunday School Board now can supply the churches with two types of lessons to choose from. This new series could be just what is needed to help some of our churches.

The Baptist Book Stores of our state have an abundant supply of good books for any church wanting to start a library, and plenty of other articles that can be used in many different ways to help in any program that they wish to use.

With so much good Christian literature, we need to place it in our homes and churches so that all our people can read that which will help all of us

grow stronger in our church life . . . a better example of Jesus in our everyday life. We need to read these good books and magazines so that our minds and hearts can be stronger in the faith, a better church member, and we know our Lord Jesus will be pleased when we read and study the best literature that we can find.

Respectfully submitted,
Rev. Raymond L. Crook

COOPERATIVE PROGRAM REPORT

Forty years now have past since the Cooperative Program had its beginning among Southern Baptists as a system to up-grade their giving to a cause which Jesus came to this earth for. By most any measure it's growth has been phenomenal, but what the forty-two churches of the Green River Association should do and can do, we have only made a feeble beginning.

A pressing need of every church in our association is an under-girding of the Cooperative Program with Prayer. Information on the worldwide missionary work carried on through the Cooperative Program will form a basis by which our churches can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer, because information alone is not enough. I would suggest that every church in our association have a special prayer for some Mission cause each week during the month of October.

Our missionary leaders tell us that great strides are being made on all fronts in the Mission Field, in missionaries being sent, training of young people for world wide service, orphanages, schools, homes for the aged and our Baptist Hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the Gospel to the four corners of the earth.

All this good work has come about because of the fact that every year more and more churches are giving more and more by the Cooperative Program method. Over the years of trying to tithe, I have gradually, but finally come to this realization; I have received the greatest dividends from monies that I have spent to further the cause for which Christ came to earth.

Many of the eighty associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available reports all but seven churches in the Green River Association gave to this program last year.

With enthusiasm let us be faithful in worshiping with tithes and offerings and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

RECOMMENDATIONS

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for these needs during the month of October.
3. That churches give regularly through the Cooperative Program.

Respectfully submitted,
Evlas E. Davis

REPORT ON INTERRACIAL COOPERATION

During the past year many of Baptist churches throughout North Carolina have taken steps to improve the wounded relationship between the white and Negro races. Hundreds of churches observed Race Relations Sunday and used various means to promote better understanding, while others announced an "open door" policy for their worship services. In a few churches Negro pastors have been invited to preach in white churches. In rare instances congregations have received Negro members.

In most areas of our state our Baptist boys and girls have done a commendable job in helping with new adjustment in public school integration. Other notable efforts in cooperative participation during this year were a state-wide evangelistic conference in Greensboro, the annual Human Relations Conference in Durham, a Sunday School and Baptist Training Union Convention in Charlotte.

Steps of progress must not make us unaware of the fact that the vast majority of our Baptist Churches today practice segregation to the point where even God's people feel unwelcomed if their skin is brown. White pastors have been admonished to cease visiting and preaching for Negro congregations. Many white pastors are afraid to preach what they know is right in race relations for fear of losing their pulpits.

More than ever before the young people, both white and Negro, are questioning the inconsistencies of our professed faith. They attend school together, study together, play and work together, but they cannot worship God together on Sunday.

Where do we go from here? As Christians we must study, learn, and practice the true meaning of loving one's neighbor. There are many practical suggestions that pastors and other interested persons may use to bring about about involvement in human relations. Here are a few ideas for consideration:

1. Distribute tracts in bulletins and church papers concerning ways of improving race relations.
2. Pastors of both races should take the initiative in getting acquainted with each other.
3. If there is no interracial pastor's organization, take steps to start one.
4. Arrange discussion periods for church members and ask them for suggestions.
5. The exchange of pulpits, Sunday School teachers, etc., is valuable.
6. Exchange special music such as solos, duets, choirs, etc.
7. Schedule a joint worship service with a nearby Negro church.
8. Integrate Baptist Women's World Day of Prayer.
9. Plan an integrated Easter sunrise service with combined bands, choirs, speakers, etc.
10. Try the Companion Church Plan as begun in the Mecklenburg Baptist Association. Our department will be happy to provide the suggested general principles.
11. Entertain all of the public school teachers, and school administration. Invite them to a Wednesday or Sunday night service followed by a social hour.

Corbin Cooper, Secretary
Dept. of Interracial Cooperation

SOUTH MOUNTAIN BAPTIST CAMP REPORT — 1966**Theme: A Message To Proclaim**

God blessed your South Mountain Baptist Camp with another wonderful season. Many who came had a deep experience with God. Their missions vision was broadened. They learned how everyone should help proclaim the message of Christ throughout the whole world.

Over 1800 attend your camp during the summer for some kind of planned activity. 50 attended from Green River Association.

689 made decisions for Christ, including 136 professions of faith. 500 earned honor awards by participating in camp activities, camp attitude and study in G. A. or R. A. work.

The road into the camp was paved in July at a cost of \$14,393.00 Half of this has been paid. However, we had to use some of our operating funds to do this. The remaining \$7,196.00 has to be paid by February 15, 1967. Some of this has been pledged. However, we will need other churches and individuals to help pay this indebtedness. Your investment in this road paving project will help us to make the road to Jesus and to a deeper committed life, clearer for hundreds of boys and girls each year.

A Two story staff building and a missionary cottage is being built.

Churches, Associations, Pastors Conferences, and church groups are urged to use your camp for clinics, suppers, and picnics. For information contact:

REPORT OF BAPTIST CHILDRENS' HOMES

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian Ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by N. C. Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. A good degree of progress has been made in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate homes.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve child-

ren of all ages and are of particular advantage for some who have special needs. Foster parents may be of varying ages and circumstances of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian Service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars (\$315,000.) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of services of the Baptist Childrens' Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

Respectfully submitted,
Rev. Jim Jones

BAPTIST HOSPITAL REPORT

Our Baptist hospital and Medical School are a center of healing for body, mind, and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without school for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information

to your people and help to lead them to give serious consideration to the Hospital's vital ministry and its urgent need.

Respectfully submitted,
Baptist Hospital, Winston-Salem

REPORT ON TEMPERANCE

Strong drink causes most of our sorrows and poverty. It is enemy No. 1 and has been for many years. Legislatures spend much time discussing it and pass Legislation to legalize it which causes more trouble.

The Psalmist said long ago of Strong Drink, "At the last it biteth like a serpent and stingeth like an adder". (Proverbs 23:32)

The real danger of strong drink is that it dulls and deadens the moral sensitiveness of a person so that he is an easy victim of many temptations. He does not think straight about right or wrong. Strong drink is never safe, not even with moderation. The alcoholic contents calls for more, hence it is a contagious disease - one drink calls for more.

The best plan is to let it alone. It will get you into serious trouble sooner, or later. Strong drink will injure your health, waste your money and bring you only sorrow and trouble.

Take the profit out of the liquor industry if you wish to destroy it. Holy writ says "The Love of money is the root of all evil." Strong drink is like the devil, it seduces men and women and even youth and brings on sorrow, sin, and poisons the mind and heart. Drunkenness and adultery are logical companions. At last, "one reaps as he sows". The ruin of strong drink leaves people in bitter misery.

Glamorous ads make strong drink look like guarantees of social success. This is part of the Satanic deception of strong drink - divorce courts, screaming ambulances, unexpected funerals, lost jobs, illegitimate children, mental and moral breakdowns prove that strong drink, at the last, has been a cheat and a destroyer and a demon of despair. It leaves persons doped and enslaved, silly and helpless.

The sands of history are strewn with the wreckage of lives and nations ruined by drunkenness.

The people of the U.S. spend ten billion dollars yearly on legal liquor, four billions more on illegal liquor, five billions on cures, five billions more on work stoppages due to strong drink and five billions more on crime. Crime and strong drink grow in proportion to the consumption of the latter.

Vote against liquor, refrain from its use and you will be happy and healthy. We need more Christians who have a backbone instead of a wishbone.

ANNUAL RADIO AND T. V. REPORT

The Radio and Television Commission of the Southern Baptist Convention reports that the 23 programs produced by the Commission were broadcast on an all-time high number of radio and television stations at the end of 1965 . . . more than 2300. Actually the Commission appeared on 78.4 per cent of the entire broadcast facilities of the nation between April 1, 1965 and March 31, 1966, broadcasting a total of 52,000 hours 'While the trend among broadcasters in general seems to be away from religious programing, the Southern Baptist message is being heard on more stations by more people in more ways than ever before,' reports the Commission.

We are grateful for radio stations WBBO and WAGY in Forest City, who have helped churches of the Green River Association in a cooperative attempt to make Christ known to the sick, aged, and the absentees. WAGY is to be commended for such program as Vespers and Morning Devotions, the Sunday School Lesson, and the 11:00 o'clock Worship Service originating from various local churches. Over WBBO, such programs as "Day by Day With Jesus", "Showers of Blessings", and "The Protestant Hour", furnish inspiration for the listening audience of our area. In addition to these, WBBO broadcasts the Sunday Morning Worship Service and The Baptist Hour. It is estimated that both WAGY and WBBO programs 20 hours each per week of religious and gospel music.

A third station has been added to our area. It is located at Ruth, near Southern Baptist Church, and the number on the radio band is 1520.

Let us not neglect to pray for the radio and television ministry in its local, nationwide, and international outreach. Southern Baptists' impact on 20th. Century man is directly proportional to the effectiveness of the channels of communication employed.

AMERICAN BIBLE SOCIETY

The one aim of the American Bible Society is to print the Bible and distribute it to every man in his tongue. The slogan "The Year Of The Bible" has been adopted. This year marks 150 years of continued service of printing the Scripture.

Some of the progress of the past, and present, 1816 on May 10, the Society was founded in City Hall, New York. 6,410 Bibles were issued before the end of 1816.

1817 Scriptures were given to the U. S. Navy. More than 47 million copies have been given to U. S. Armed Forces in 149 years.

1829 the program to see that every home in the U. S. . . . no matter how remote . . . had a Bible.

1835 first Scriptures were issued to the Blind. There has been one million Scripture issued in 130 years.

1836 first overseas agency established. Now there are 150 nations the Society works.

1938 celebrated the publication of the Scripture in 1,000 tongues. Now at least one book of the Bible has been published in 1,250 tongues.

1957 the 500 millionth copy of the Scripture was presented to President Dwight O. Eisenhower at the White House.

1966 in January of the 150th Anniversary Year, the 750 millionth copy of the Scripture distributed by the Society was presented to President Lyndon Baines Johnson Honorary Chairman of the Anniversary Committee.

The Bible Society has a desire to put the Scripture in the hands of every man in his tongue because there is nothing that will inspire man as the Scriptures can. To this great challenge, the American Bible Society dedicate itself.

Ernest Howell

EXECUTIVE COMMITTEE MINUTES

Due to the fact that we would have to cut about 10 stencils, alone for this report, and that would mean using around 3,000 sheets of paper for this book. So, to save on these supplies, we are omitting the full Executive report, but they will be in the Associational Minutes, also they will be on file in the office, if anyone should want to see them.

The Executive Committee met at our quarterly meetings, as scheduled, during the year. All matters brought before the committee were attended to promptly.

Respectfully submitted,
Mrs. Roy Calvert, secretary of Comm.

ANNUAL REPORT OF GREEN RIVER WOMAN'S MISSIONARY UNION

The history of Woman's Missionary Union is a story of Women with magnificent obsessions and courageous convictions, of early societies where women met to quilt and pray, of egg money for missions placed in mite boxes for safe keeping. It is a story of the response of women to the missions imperative organizing, developing and implementing a weekday program of missionary education. As we trace the unbroken line of women who have so faithfully stood to the task with their magnificent obsessions, their courage, their convictions and their accomplishments we are grateful to God that this is a part of our missions heritage.

After some 79 years we of Green River's Missionary Union today are still trying to carry through with this unbroken line still trying to accomplish what God would have us to do through a program of missionary education.

The work for 1965-66 in Woman's Missionary Union was focused upon the theme: "Proclamation and Witness", using the denominations' emphasis. The watchword, "Having the Everlasting Gospel to preach unto them that dwell on the earth and to every nation and kindred and tongue and people", was appropriate for the theme. God has continued to bless our work this year through our efforts. We only pray that each step of progress which has been made will be a stepping stone into the future.

God has blessed us with new work in one of our oldest churches. On March 3rd., 1966 W.M.S. work was organized at the West Point Baptist Church, with twelve charter members. Mrs. S. M. Owens was elected to serve as it's first President. New Y.W.A. has been organized at Piney Knob Church.

It is with grateful hearts full of gratitude to God for strength and courage, that we recognize our Associational Woman's Missionary Union as an Honor organization for 1965-66. We rejoice also in recognizing the Green Hill W.M.U. as an Honor organizer for the second consecutive year. To attain this honor rating a church must have an honor W.M.S. and at least one of every youth organization attaining the honor rating. Mrs. Thirl Wilson has served as president of this union for 1965-66. Rev. Billy Martin serves as pastor.

Forty-six organizations attained a rating on the Aims for Advancement, and increase of four over last year.

Gifts for the special offerings continue to increase as the work continues to grow. Through the promotional efforts of Woman's Missionary Union our churches gave to the Lottie Moon Christmas offering for Foreign Missions \$17,425., to the Annie Armstrong Offering for Home Missions \$3,910; and to State Missions Offerings \$1,975. One church of the association with no mission organization gave \$20.00 to the Home Mission Offering. Six churches with no mission work organized gave a total of \$132. to the Foreign Mission Offering.

making a grand total of \$23,462. to the three special offerings, which have been made church-wide and promoted by the W.M.U. An increase of \$4,190. was given over last year.

The association was honored to have the State W.M.U. President, Mrs. Knolan Benfield of Morganton and Mrs. Oren Bradley of Mt. Airy State Mission Study Director to lead in the annual leadership conferences on Sept. 22nd. A total of 126 was in attendance for the conferences.

The W.M.U. annual meeting was held at the Mount Vernon Baptist Church on April 21st. with 226 in attendance. Rev. Cloys Starnes serving in Korea brought the Missionary message.

Continuing to use the denominational emphasis Woman's Missionary Union along with all the other church organizations will use the word "Education" as it's theme of work for 1966-67. Placing emphasis upon knowledge. We have chosen as the Watchword for 1966-67 words from second Peter. "But grow in grace, and in knowledge of our Lord and Saviour Jesus Christ." (2nd Peter 3:18)

"O Master, Let Me Walk With Thee", is the great hymn chosen for this year. With the words of this great hymn we are all reminded that through our service to God and man the results are that we continue to learn.

Help me the slow in heart to move.
By some clear, winning word of love;
Teach me the wayward feet to stay,
And guide me in the homeward way.
Teach me Thy patience, still with Thee
In closer, dearer company
In work that keeps faith sweet and strong
In trust that triumphs over wrong.

As we begin this another new year, may we join together in praising God for His goodness toward us, and may we all really grow in the grace and knowledge of our Lord and Saviour Jesus Christ.

Respectfully Submitted,
Mrs. Frank Biggerstaff, President
Green River W.M.U.

BROTHERHOOD REPORT

In the Brotherhood Department of our Associational work this year we have held three regular meetings in each unit. We conducted a workshop in each unit. All of our meetings were very well attended. We are happy to report an increase in enrollment of 70 this year. We now have 15 churches with organized work.

Miss Nannie Newsome.

SUNDAY SCHOOL REPORT

The Sunday Schools of Green River Association had a goal set for a 10% increase in enrolment in 1965-66. As the records show there was an enrolment decrease of 67. The goal of 31 churches having vacation Bible Schools was exceeded by one. But there was a loss in Bible School enrolment of 188.

There have been four quarterly conferences in the past year in both divisions of our association. Two of the outstanding presentations through the Sunday Schools Conference have been there five year. Spiritual Growth Program and the New Life and Work Curriculum.

Under the direction of Ted Purcell a well planned and attended Vacation Bible School Clinic was held in both the Polk and Rutherford Divisions.

The enrolment records cited above are indicative of a general trend in the Sunday Schools of our Southern Baptist Convention. It is up to us to plan and work to reverse this trend. This we propose to do in the coming year.

The theme for the Southern Baptist Convention for 1966-67 is "A Church Fulfilling Its Mission Through Education." This is of vital interest to all who are concerned about our Sunday Schools, for Sunday Schools are a definite part of our program of religious education. The tasks of the Sunday School center around teaching the Bible and reaching people.

During the next year the focus on reaching people is on adult men. To help the Sunday Schools of our association, we are planning the quarterly conferences with outreach in mind.

In October of 1967, there is scheduled a Director - Led Enlargement Campaign. This will require much planning and work on the part of each participating church. As a tool this campaign can help in getting the job done for reaching people for Bible Study and Christ.

William F. Bowen, Jr.
Associational Sunday School Supt.

We have 29 Training Unions in our association with an enrollment of 1833! Our goal for next year is 30 Training Unions with an enrollment of 2000!

May I urge each of you to study and stay up to date with current Training Union materials, especially **The Training Union Magazine**. This is essential in order to know what is going on in Training Union work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. SUGGESTED ANNUAL ASSOCIATION EVANGELISM REPORT 1966

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptists' attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

STATE MISSIONS REPORT

September 18, 1966, was set aside as a day to receive a special offering for state missions by our Baptist State Convention. As one travels over North Carolina, he will be impressed with the growth of our state. One will also be impressed with the growth of our Baptist work in the state. As we see this great growth in our Baptist work in our state, it should make each of us proud that we are Baptist and that each church, whether large or small, can have a part in this work as we give of our tithes and offerings through the Cooperative Program and special day offering to state missions.

Time would not allow us to give a detailed description of all that state mission does in North Carolina. To mention a few things, it helps provide building sites for new churches, helps pay salary of associational missionaries, supplements pastor's salaries in small churches, Fruitland Baptist Bible Institute, and many other phases of our work in our state. Let each of us pray for and support state missions in our church.

RESOLUTIONS

That we express our sincere appreciation to both the Oak Ridge and Mill Spring Baptist Churches for their hospitality in furnishing us such pleasant accomodations in which to hold our meetings; for every kindness they have shown, including the most bountiful and delicious meals. For the beautiful flowers arranged in Mill Spring Church.

That we compliment and offer appreciation to our outgoing Moderator, Rev. Robert Rownd, for his splendid leadership these past two years. He has done notable work in his position, and the Association is a better one because of his leadership.

That we pledge to our incoming Moderator, Dr. J. D. Hillman, pastor of Rutherfordton First Baptist Church, our support and cooperation . . . to other officers and committees.

* * * * *

We thank the Program Committee for selecting speakers who have so ably informed and inspired us. Thanks to those who have thrilled us with Special Music.

That we offer appreciation to our outgoing treasurer, J. J. Allen, who has served us well and faithfully. For his six years of service to our Association as treasurer.

That we pledge support to our incoming treasurer, Mrs. Kenneth Arrowood.

WHEREAS; Rev. Zeb Baker has been missionary to the Green River Baptist Association for the past seven years and five months, by November First of Nineteen Hundred Sixty-Six, when his resignation is effective.

WHEREAS; Rev. Zeb D. Baker has done a most useful job; collections in our churches have increased membership in most of our churches has increased. We shall miss his ready smile and many helpful suggestions. He has showed a willingness to help all who sought his aid.

WHEREAS; Rev. Zeb D. Baker, effective November First Nineteen Hundred Sixty-Six will become missionary of the Carolina-Transylvania Association. We wish him much deserving success . . . our prayers and best wishes go with him . . . May the good Lord continue to Bless Him.

We urge all of our people to be much in prayer for our Association, our Churches, and Ourselves, and not to forget to pray earnestly for our Military Personnel, and our Missionaries.

That Christ's Kingdom may come on earth as it is in Heaven.

REPORTS

AMERICAN BIBLE SOCIETY REPORT

"God's Word for a New Age" is the theme for the 150th anniversary of the American Bible Society. It is also the theme of a program of worldwide missionary advance. Bible Societies of many nations are working together to provide greatly increased quantities of Scriptures urgently needed for mission work around the globe.

If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible. Each person must have the Bible in his own language. In most countries people cannot afford the cost of printing the Scriptures.

The Bible is the essential tool of missions and evangelism. The Bible itself is missionary. It can go where the human missionary cannot go. The Bible can stay after the missionary must leave — and keep on speaking to a person's heart.

The Current Goal of the Program is to increase total worldwide Scripture distribution to 150 million volumes per year.

Long-range Goals are:

- a Bible in every Christian home.
- a Testament in every Christian's hand
- a Scripture Portion for every reader
- supplies of Scriptures for Christians to share

Some past achievements:

- some part of the Bible has been published in 1250 languages: the full Bible in 237, a Testament in 297, a Gospel or other complete book in 716.
- gave over 745,000 Scriptures volumes to our Armed Forces and the Veterans Hospitals.
- distributed a record total of over 54 million Scripture volumes in more than 400 languages, in 149 countries.

Southern Baptist Support The Work:

Southern Baptist Missionaries depend on the Society for Scriptures they need for their people.

In 1965 Southern Baptist Churches gave \$226,731.00 to the American Bible Society and ranked first among all denominations. Gifts from all the Churches in the U.S.A. totaled \$1,333,058.00.

The help of Southern Baptist Churches is needed. Southern Baptist Churches can continue to lead if every church will give.

Respectfully submitted,
Ernest Howell

On behalf of the Missions Committee, I wish to express our sincere gratitude to the Reverend A. C. Brother Hughes has served us faithfully and unselfishly, enabling us to sustain the work of our association during our quest for a full time missionary. He has given service beyond what we would be justified in expecting of a part-time interim missionary, and we hereby give expression of our deep appreciation for his dedicated service.

The Rev. I. V. Couch was born March 18, 1917, a native of Elkin, N. C. in Surry County. He was converted at age 13, and from 1942-1945 he spent 3½ years serving with the U. S. Army in the Pacific Theatre. Before he answered God's call to preach on October 15, 1947 at Elkin Valley Baptist Church, Elkin, N. C. Brother Couch was a textile worker with Chatham Manufacturing Company. He was ordained to the ministry in September 1949.

Brother Couch's educational preparation includes study at Gardner-Webb College; and Wingate College, from which he was graduated in 1952. He was graduated by New Orleans Baptist Theological Seminary in 1954.

His pastorates include Pleasant Grove Baptist Church, Ronda, N. C. (1949-53); service as student pastor while completing his seminary education; Bethlehem Baptist Church, Taylorsville, N. C. (1956-61), and Beaverdam Baptist Church, Asheville, N. C. (1961-67).

Brother Couch has served as a member of the General Board of the Baptist State Convention of North Carolina. His associational service include work as Sunday School Superintendent, Chairman of the Finance Committee, Chairman, of the Missions Committee, Executive Committee of the Brotherhood, Pastor's Advisor in Training Union, and Vice-president of his Pastor's Conference.

We are pleased to welcome Brother and Mrs. Couch, and we are grateful for their dedication and experience as we begin this new relationship in our service to God.

HISTORY OF GREEN RIVER ASSOCIATION 1966-67

The first item I want to record in the history for this year is that we have a new missionary, Rev. I. V. Couch, who came on August 21.

Other items will be of the improvements the church of the association have made. The first is **Bill's Creek**, which finished their cemenetry and sowed it in grass. **Calvary** paved a new walk, put up a church identification sign, and draped the baptistry. **Camp Creek** improved the old cemetery. **Columbus** landscaped and reseeded the church grounds, put a new roof on the pastorium, and completed their church Constitution and By-Laws. **Faith** constiuted a church on March 30, 1967. **Gilkey** redecorated the church and installed carpet in the auditorium. **Main Street** bought an additional building to raze preparatory to building a new sanctuary, renovated a new room for the junior department, out of a garage, they made two classrooms for adults. **Montford Cove** bought an organ, leveled the graves and seeded them to grass as well as paved their entire parking area. **Mountain Creek** leveled grounds around the cemetery and church, and replaced their coal furnace with an oil one. **Mountain View** painted the parsonage. **Oak Springs** completed their brick pastorium and the pastor's family moved in. They also redecorated the inside of the church. **Piedmont** erected lights on their church steeple, bought new tractor mower, and placed a new fern tree in the auditorium. **Piney Knob** completed their new sanctuary. **Round Hill** put an oval ceiling in auditorium and new lights as well. They redecorated the auditorium and foyer. Grounds at the rear of the building were cleaned off for a recreation area. The parking lot lights were relocated to give better illumination. Corner markers were placed at grave plots. The **First Church of Rutherfordton** redecorated the auditorium and installed new lights including a lovely chandelier. The church was painted inside and out. The kitchen was renovated, and carpet was placed on floors of this lower level. Airconditioning was put in, as well as iron - grill banisters on the front steps. New coat racks were added to the right and left wings down stairs, and a new roof was put on the building. **Second Baptist in Rutherfordton** paved the parking lot, painted the parsonage inside and out, and bought a new piano for a S. S. Department. **First Church Spindale** painted the lower auditorium, classrooms, and kitchen. They also put a new roof on the educational wing of the church. **Mount Vernon** redecorated the auditorium, hallways and baptistry. They organized a baby bed nursery. A hand rail was put on the front steps, the lawn was fertilized, a parking lot was enlarged and graveled. The kitchen was furnished, a recreation area cleaned off, books were added to the library, choir robes were bought. **West Point** insulated the parsonage, and punched a well to serve both church and parsonage.

I am sorry that all of the churches did not send in reports.

Respectfully submitted,
Nannie Newsome, Historian

LIBRARY REPORT

Your library chairman has helped to organize two new libraries in the association. We have seventeen churches with established libraries. Most of these churches have a large number of books donated to them by members of deseased loved ones. Some of the churches are still in the process of setting up the library and some are working on cataloging and other things, such as shelving, and making a place for their books.

You have helped me to earn my certificate in Audio Ed. & Library work. I have enjoyed your fellowship and your cooperation in this work. Thank you for everything.

Respectfully submitted,
Mrs. Roy Calvert, Chairman

TRAINING UNION REPORT

This has been a busy year for Training Union, in the Green River Association. Your associational and other associational officers has been busy trying to keep up with all the new materials that have come out for the advancement for the Training Program for local churches. We hope these churches have received their training program materials and will help us put this program to work for their different departments. This will be a great help to the whole church program. Your associational officers have visited in 21 churches throughout association this year.

Special projects engaged in by the Director and other officers:

Pastor Led Sunday School Enlargement Campaign meetings
Leadership training schools, clinics, officers training meeting, and state briefing meeting for training workers for associational officers.
1 church represented in Junior Memory Work in the Tournament
1 church represented in Intermediate Sward Drill and 1 in Young People's Speaker Tournament and 1 adult scripture reading.

This represented 5 people in the three tournaments held. There was a good attendance of our association at these tournaments and our N. C. Baptist Assembly this year.

We have thirty churches engaged in Training Union in the association, with an enrollment of 1,731 and we hope to have 32 churches with training unions in the coming year of 1968, with an enrollment of 300 more than in 1967.

May I urge you to study and stay up to date with new Training Union materials, especially the Training Union magazine, it is essential to know what is going on in our Training Union work.

Also, may I thank you for your prayers, assistance and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your **Training Union** as a means toward a more effective Christian witnessing through the local churches.

Respectfully submitted,
Reid Hardin, Associational
T. U. Director

REPORT ON STATE MISSIONS

On September 17, 1967, Baptist Christians had an opportunity through the State Missions Offering to help enlighten, heal, and educate people across North Carolina. Through State Missions we witness to many groups, including military personnel and their families, the deaf and migrant workers. Through this program we share in saving men from despair and suffering, and we encourage faith and brotherhood. To bring it even closer home, consider how your state missions gifts helped to start a new church in our association, the Main Street Baptist of Spindale, which has grown into a thriving fellowship under the leadership of Guy E. Johnson. State Mission means helping to train ministers at Fruitland and Bible Institute, supplementing the salaries of Associational Missionaries and Pastors in small churches, and giving aid to Retired Ministers. The wide scope of State Missions in North Carolina is pictured and outlined through stories in the September 2, 1967, issue of our State Paper, the Biblical Recorder. We urge our people to become informed about this great ministry and to become involved in its outreach through prayer, gifts, and faithful service through their own church.

Respectfully submitted,
Lonnie Hall

BROTHERHOOD REPORT

The Brotherhood of the Green River Association held three of quarterly meetings this past year. The cooperation of men is appreciated. Yet, with new and challenging plans for the coming year many new goals need to be kept in mind. We need to reach more Baptist Men and to create more interest in Missions with the men and R. A.'s.

Record for 1967

BROTHERHOOD — 14 churches reporting a total enrolment of 205.
R. A. Chapters, 20 with 12 churches reporting enrolment of 153.

REPORT ON EVANGELISM

Julian S. Hopkins, Director

This past year the churches of our association baptised 253 persons. This represents a ratio of one baptism for every members, we are grateful to God for every person who has been to confess Jesus Christ as Lord. We call our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to **give ourselves to the work of evangelism** and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; **PACT:** A program of "prayer partners" with individuals, groups, and churches on the "Oher Americas" initiated in July-August 1968; **Watch Night Prayer Service** December 31, 1968.

NATION-WIDE VISITATION WITNESSING: September- November 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27 - May 11, 1969.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NOTH CAROLINA ON CHRISTIAN MATURITY: January 1 - December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the **1967-68 Evangelism Plan Book** already available to us and in the **1968-69 Evangelism Plan Book** which will be available after July of 1968 from the Divison of Evangelism, 301 Hillsboro Street, Raleigh, N. C. 27603.

WOMAN'S MISSIONARY UNION

As members of Woman's Missionary Union bring to an end another year's work, we recall our Watchword for the year 1966-67, "But grow in grace and knowledge of our Lord and Saviour Jesus Christ." (2 Peter 3:18) How fittingly was this watchword combined with the 1966-67 denominational emphasis, "A Church Fulfilling Its Mission through Education." Second Peter is characterised by giving emphasis upon knowledge. The knowledge the author denotes may mean a personal communion with Christ. We all must grow in our knowledge of our Lord, our work and of human nature. The process of growth implies that we have communion with God, and this communion with Him gives us sustained stability. How much have we as Christians, as members of Woman's Missionary Union grown this year, in knowledge of our Lord, our work, our understanding of one another. There have been many failures in our work this year due to the fact that we have not been willing to grow in knowledge of God's work set forth in the Great Commission. We must be willing to work and to accomplish the tasks that are set before us, and in order to do these tasks we must be willing to be informed and to learn of them. We are grateful for God's blessings upon our efforts in the mission work this past year. As we begin to examine our work we find that we have fallen short of the number of organizations attaining a rating on the Aims for Advancement this past year to the last two previous years. Only 31 organizations attained a rating. Indeed it is with gratitude to God in our hearts that we are able to recognize the Green Hill W.M.U. as being a Honor organization this year. This being the third consecutive year that this church has achieved this honor speaks highly of the leadership within its organizations.

Green River Association has 14 churches with no organized mission work at all within their church. This is a sounding note that should ring loud and clear to each of us, that somewhere along the way we have failed to witness or those unorganized are unwilling to heed God's call," Go forth into all the world, teaching and preaching Christ the Saviour of all mankind." Which is the answer? Until every church of our association is lighted with the missionary spirit of our Saviour we cannot sit idle by and ignore our tasks in Woman's Missionary Union. The 1967 Annual Associational Meeting was held with the Rutherfordton First Baptist Church on April 20th. It was said to be one of the best our association had held in many years. For this we are very grateful. Dr. John L. Slaughter, pastor of the First Baptist Church, Spartanburg, S. C. brought a most inspiring message. Rev. W. T. Roberson, delivered the missionary address giving his experience in the mission work in Vietnam, of which every one was most concerned with the conditions there. Over 300 were in attendance.

The Annual Leadership Workshop held in September was well attended, with Miss Nannie Newsome presiding in the absence of the president.

Our offerings to mission causes continues to increase each year, not as we would like for them to, but we cannot measure our work entirely by our gifts. To the foreign missions we gave through the Lottie Moon Christmas Offering (from churches with organized work where the offering was promoted by the W.M.U.) \$19,646.87. From churches with no organized work \$352.76, making a total of \$19,999.63. To home missions we gave through the Annie Armstrong Offering (from churches with organized work promoting the offering) \$4,181.12. From churches with no organized work \$267.00, making a total of \$4,448.12. To state missions we gave (from churches with organized work) \$1,985.45. From churches with no organized work \$131.00, making a sum total of \$26,564.20 given through the three special offerings promoted by the Woman's Missionary Union. This does not include the Heck Jones Offering taken in June each year which goes to support only the work of W.M.U. in North Carolina.

Three new youth organizations were organized during the year.

New officers were elected at the annual meeting in April with those being elected to serve to begin their term of service in October with the new church year. For the first time in the history of Green River Woman's Missionary Union there was no one elected to serve the organization as it's president, for the year 1967-68. The out-going president, Mrs Frank Biggerstaff served her five years according to the by-laws of the association, therefore she could not be reelected to serve in the position. We ask ourselves over and over again can God be pleased with these results? As we recall the permanent Watchword, "Laborers Together With God" (1 Cor. 3:9), can we truly say that we are fulfilling these words with our actions and concern. Our hymn for the new year, "Where Cross the Crowded Ways of Life", speaks to us as women of today as to the type of world we are living in and to the type of world we must witness in. What a challenge this should present to us. Our population is growing by increasing numbers. Our task is to reach these people. Through our new "Mission Action" plans we can if we set our hearts and minds to do it. We can do no less and fulfill our tasks in Woman's Missionary Union. Multitudes are still needing to hear and know of our Saviour and His love. With war raging on every hand, racial strife prevailing throughout our world, we need to be ever mindful of the concern of our witnessing power. Our Watchword for 1967-68 plainly states to each of us what action takes place when we show forth our witness, "Inasmuch as ye have done it unto one of the least of these . . . ye have done it unto me." (Matt. 25:40) Can we do any less for our Lord? In serving and witnessing to others we are taken His place, thereby showing that He does prevail in and over our lives. Women awake . . . rise . . . shine, for the light is come. Let us use it while there is yet time.

Respectfully submitted,
Mrs Frank Biggerstaff

COOPERATIVE PROGRAM REPORT

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925, many do not know what this plan is. The question — what is the Cooperative Program? — is often heard.

The answer is simple: What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad — it's preaching the gospel — it's healing in the name of Jesus through hospitals and clinics everywhere — it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . ."

Let resolve to pray earnestly for all kingdom work and support our prayers with sacrificial giving of self and sustenance.

Last year N. C. Baptists gave \$5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to: \$2,897,639, we had a total of \$8,684,950. for all missions causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to records available our association gave \$46,211. during the the last year for world missions through the Cooperative Program.

BAPTIST HOSPITAL REPORT

Our Baptist Medical Center: The New Day In Medicine

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last 25 years we have witnessed in medical care a transformation as dramatic as in almost any other area of life.

This period parallels the period of development of our Baptist Medical Center in Winston-Salem. This began in 1941, when our Hospital and our Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the very fine medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work seem almost like modern miracles. There are new means of diagnosing our ills, such as the brain scan and the use of including antibiotics and new chemicals. There are new techniques in treating sound waves. New drugs are being developed almost daily for combating disease, our ills, as in heart surgery, inhalation therapy, and replacing of organs of the body. There are new instruments to perform these miracles, as the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, including his emotional and spiritual needs as well as his physical problems. Psychiatry has developed, spiritual therapy is an important factor, and pastoral care is a part of the total care of the sick.

Such important progress necessarily means greatly increased cost in medical care. But the high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone - it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Center. If this service is made available to all our people who need it, we of necessity have to provide, much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need - and even hear a "Well done," for inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

REPORT BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship.

At the Children's Home we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in the phase of our work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model of the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. During the 1957-68 session the Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care - a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenge of our day.

CHRISTIAN EDUCATION REPORT

Interest in education in North Carolina has increased rapidly during the past several years, and expenditures for this purpose have kept pace. Even with all this interest and expense, there is a feeling that something is being left out of the Educational Program that is vitally needed in society today.

It is generally agreed that education gives power to the individual. But if that power is not properly directed, it may be harmful rather beneficial. It is important, therefore, for our young people to receive spiritual and moral training along with their secular education. Here is where our Baptist institutions of

higher learning play such an important role. They not only provide education of the highest order in the usual fields of instruction, but they give moral and spiritual value in addition.

North Carolina has seven strategically located Baptist colleges that provide Christian education to students in every area of the State. These are, from east to west: Chowan, located at Murfreesboro; Campbell, at Buies Creek; Meredith, at Raleigh; Wake Forest, at Winston-Salem; Wingate, at Wingate; Gardner-Webb, at Boiling Springs, and Mars, Hill at Mars Hill. Four of these — Campbell, Meredith, Wake Forest and Mars Hill — offer four years (with Wake Forest recently having achieved university status) while the other three provide two years of instruction. In each of these are professors of the highest Christian Character, giving their best to teach and direct pupils toward the highest aims

We Baptists believe in Christian Education. We should, therefore, give our full support to these institutions of ours, and make it possible for them to provide facilities and instruction to more of our young people.

INTERRACIAL COOPERATION REPORT

Corbin L. Cooper, Secretary

I can never really begin to tell all that this summer has meant to me, for how do you communicate the joy you feel when you realize that you had a part in winning 41 boys and girls to Christ? And how do you explain what it means when you find you love brothers in Christ, people you have feared? Words fail me, but I will say this, I would not exchange this summer for anything in the world."

This is the final paragraph of a letter written by one of the first two white college students who have ever served for a summer in the Department of Interracial Cooperation. But the summer of 1967 also held other successful efforts such as 42 Vacation Bible Schools enrolling over 3,600 boys and girls. In the Asheville area there were seven standard schools held in our General Baptist churches.

Another new undertaking for 1967 was a series of four Human Relations Conferences held in May at Willmington, Fayetteville, Rocky Mount, and Statesville. The enrollment and participation were encouraging.

The convention year reached a climax in August as the General Baptist State Convention held its centennial celebration and voted unanimously to enter the Crusade of Americas. The vote included the acceptance of an invitation for the two conventions to jointly plan and sponsor a conference on evangelism to be held in Greensboro in 1969.

The year has been most encouraging but concludes with much work yet to be done. It is our prayer that the dedicated Christians in our Baptist churches throughout N. C. will continue to work tirelessly for the time when all of God's people might sit down and plan and work together and fulfill the purpose of God in the world.

BAPTIST FOUNDATION REPORT

In the absence of our very efficient Executive Secretary of the Baptist Foundation of N. C., we shall attempt to provide a brief report for such use as may be necessary for the Associational meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Geer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C Gordon Maddrey, was stricken with a series of heart attacks and has remained in critically condition in Rex hospital. The loss of he leadership of these two men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two week ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville, which you will hear much more about in the report on he Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

It will be our purpose to have a representative in all the Associational Meetings to bring a last minute report on both the work of the Foundation and the condition of our fine leaders. Certainly all of us will continue to remember them in our prayers and best wishes.

ANNUITY BOARD REPORT

The New Southern Baptist Protection Plan (Program):

Response to the new program of family and retirement protection during the first quarter of 1967 indicate enthusiastic acceptance by ministers and denominational employees. During the first months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new program, called Southern Baptist Protection Program, providing additional benefits for disability, new benefits for children, education of children and dependent parent. Thes extra benefits are in plan "A". The new Protection Program incorporates the three plans into one certificate, which formerly required separate certificates for each plan. Three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and variable Benefit Plan, now Plan "C".

Annuitants Receive Dividend Check:

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. This year, each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were possible because of excess interest earnings. Approval was given to mail these checks annually, providing the Board realizes an excess in earnings.

Benefits Paid Out:

In 1966 more than \$4,256,44 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

10 Per Cent Total Salary Encouraged:

The cost of living continues to climb. A retirement program based on \$4,000. salary is no longer adequate to meet the needs of a minister when he retires. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participated on the total salary of its pastor or other employees.

Members in Annuity Board Plans:

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

In many churches more than one person is in the Program. Each person is counted separately as in his church. As a result, the total number of churches is higher next year, the total number churches is expected to be less. The reason is the Board is putting all its records on computer which will group together all members in one church. For Example: If a church has two members, it will be counted as one church. . . instead of two, as is presently being done.

There are 137 of the 176 agencies in the state conventions and the Southern Baptist Convention which have Protection Programs with the Board. A total of 8,121 persons are protected in the agency programs.

Rev. Guy Cain promotes the Protection Program in N. C. For information about any of the plans contact Rev. Guy Cain, 301 Hillsboro St., Raleigh, N. C. 27603, or you may write: Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

CHRISTIAN LITERATURE REPORT**Report of Biblical Recorder**

Does your church have a definite plan for getting information on the Baptist world wide mission effort to your church people?

Is there any definite plan to acquaint the membership with Baptist doctrine and policy?

Do your members have any way of knowing what other churches are doing and what is being done through cooperative efforts?

Is there any systematic plan for placing good Christian literature in the homes?

Do your deacons and church officers have a regular source of information as they help shape the policies of your church?

Is there a planned way to get accurate information and helpful suggestions to your church leaders?

The simplest way and most economical way to get all this information into the homes of your members is through the Biblical Recorder. Under the Church Budget Plan, this can be done for only 4c a week.

Consider just one thing the RECORDER did this year: In reporting accurately and courageously the doings of the General Assembly in Raleigh.

The Recorder performed a significant service for Baptists, as well as for other denominations. A number of daily newspapers, including the Charlotte Observer, credited the Recorder with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

As another example of service to its readers, the RECORDER is continuing to run both Sunday School Lessons . . . the Uniform Lessons and the Life and Work Curriculum Lesson. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORDER editor now writes religious newscast which is heard on more than 75 stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

CHRISTIAN ACTION LEAGUE

Time for the annual associational meetings is here. First of all the Director of the League expresses his personal appreciation and that of the Executive Committee and the Trustees of the League for the wonderful support which you have given to us this past year. A number of special calls have been made upon you, and you have responded in such a magnificent and wonderful way.

In spite of everything that we could do, the 1967 General Assembly must be labeled as a "wet" Assembly. This is true largely because of the passage of the brown-bagging bill. They would not give the state two years to see how things would get along without brownbagging. The legislators voted to see how we get along with brown-bagging, and so we will do. And already the fatality rate on the highways is climbing back towards what it was last year. It was considerably under last year's record while brown-bagging was outlawed. We must be ready two years from now to make some changes in this law, and you must elect the Senators and Representatives from your counties and districts who will be willing to make these changes for the better.

Our greatest victory in the Legislature was the defeat of Liquor-by-the-Drink. This bill was introduced in the Senate by Senator Herman Moore of Mecklenburg & was espoused highly by many of the "wets". In spite of the forces behind this bill it "died in committee and there were many willing palibearers. We must point out the fact this bill will be back in the 1969 General Assembly and its outcome will be decided by the men whom you elect to represent you in the 1969 Session. I plead with you to give some careful consideration now to the matter of who will be elected from your area.

Another victory was in the defeat of the bill which would have allowed towns of 1,000 population to call for an A.B.C. vote on petition of 25% of the voters. This bill passed the Senate, which seemed to have a penchant for liquor bills, but did not pass the House in a close vote of 50 against and forty in favor of the bill.

A number of cities were granted the privilege of calling A.B.C. elections, and since the Supreme Court decision favoring this practice, more of these bills can be expected at each session.

There is another phase of the League's program which I want you to know more about. We have an alchohol education program with speakers appearing in schools and churches and before other organiations. In another area of this type of work a new experiment was carried out this past year. It was felt that some type of material must be placed in the hands of the students and teachers. Two counties were chosen as pilot projects and a QUIZ BOOK FUNDAMENTAL FACTS CONCERNING BEVERAGE ALCOHOL was chosen. Copies of this book were placed in the hands of those students who were studying the unit on ALCOHOL in Madison County and in all of the schools of Vance County (including Henderson City Schools).

Here is the Table of Contents from this BOOK:

SOUTH MOUNTAIN BAPTIST CAMP REPORT FOR 1967

Theme: "Learning That The World May Know"

Words cannot express to you what God did for us at South Mountain Baptist Camp this year. He was very real to most of the 2000 who attended the camp this summer. 58 attended from the Green River Association.

G. A. and R. A. work became meaningful to many. Seven hundred campers and visitors made some type of decision for Christ. This includes 132 young people that made professions of faith. One young lady summed up the experience that many had when she said, "I really grew up while at camp this week."

CAMP ACTIVITIES DURING THE SUMMER:

Four R. A. Camps — 460 attendance
 Five G. A. Camps — 789 attendance
 Two Brotherhood — R. A. Field Days
 Eight Retreats and Overnight Camps
 One Associational Youth Retreat

The water problem was solved when we installed a deep well pump last spring. This made camping more pleasant and made it easier for the camp staff.

The South Fork and the Hicks Grove Churches have adopted a cabin each to be responsible for their upkeep. Other churches may be willing to do the same. The balance due on the road is \$5000.00. It is hoped that enough churches, industries, and individuals will make a special effort to help us liquidate this indebtedness by spring. Please discuss with your church the possibility of putting your camp in your budget.

Your camp is equipped to enrich the lives of two hundred campers each week. Therefore, we urge every church to consider bringing or sending their young people to camp next summer. Those who have difficulty in having counselors to come with the children, please let us know, and we will work something out for them.

Your camp director and other members of the staff are available to visit your church or Associational meetings to inform them about your camp and to help them to see the value of a camping program.

PLEASE SUPPORT SOUTH MOUNTAIN BAPTIST CAMP,
YOUR CAMP ! ! !

SUNDAY SCHOOL REPORT

The 1966-67 Sunday School year got off to a good start with 110 persons attending the Action Night Program at First Baptist Church, Spindale. Three other regular quarterly conferences were held as scheduled with good attendance.

In each of the quarterly meetings the theme pointed to the involvement of all of the churches of our association in the big project coming up in October of 1967—The Director Led Sunday School Enlargement Campaign. There were four preparation meetings during the year to enlist and prepare the churches for participation. Mr. Paul Kesterson, Associate in the State Sunday School Department, came to lead these meetings. Your Superintendent wrote many letters and had personal contact with many pastors to encourage participation by as many churches as possible. In the final count only seven churches agreed to take part.

Your Superintendent, also, attended Sunday School Week at Ridgecrest, the State Briefing Meeting in Winston-Salem, and the Area Sunday School Convention in Forest City.

Checking the record we find our total Sunday School enrolment for this year was 6957. This a loss of 197 persons in our enrolment in the Association. With the Director Led Enlargement Campaign we look for the downward trend to be reversed as we do our share in increasing the enrolment of Sunday Schools in the Southern Baptist Convention to Ten Million (10,000,000) by 1970.

Respectfully submitted,
William F. Bowen, Jr.

REPORTS

ADVISORY COMMITTEE

The advisory committee met with the Hillcrest Church of Henrietta twice. It also met with a group from the Sandy Run Association to discuss our relationship with the above church. We met with the pastor and one member of the Eastwood Baptist Church of Spindale to deal with their request for membership.

We recommend: 1. That the Hillcrest Baptist Church be retained under watchcare status for at least one more year and that the Advisory Committee work more closely with them. 2. That in regard to the request of Eastwood Baptist Church for membership in our association be delayed until the next annual session, but that the Advisory Committee maintain a close relationship with them and that they be encouraged to participate in the association's program.

Respectfully submitted,

Robert Rownd, Chairman

AMERICAN BIBLE SOCIETY

Christianity enters the space age with a handicap to its hopes because of a world shortage of Scriptures. Seven out of eight Christians do not possess a New Testament; 505 of all Christian families do not have Bibles and more than 2½ billion of the 3 billion people in the world are without any portion of the written Word at all.

Christianity will conquer the inner space of man's life only as he encounters the Living Word of God.

The American Bible Society, a vital arm of the church, has existed for over 150 years for the sole purpose of preparing and supplying Scriptures to all mankind, in a language he can understand. Printing without note or comment, supplying the blind with special Scriptures and distributing without profit, ABS has reached millions of people in the world. At least one book of the Bible has been published in 1326 different languages and dialects to date but there are still over 1,000 languages to go.

Southern Baptists have always been in the fore-front of active participation and cooperation with ABS ministries, leading the 74 denominational groups in financial support.

North Carolina Baptist churches contributed \$7,614.25 to ABS cause in designated gifts through the Convention office last year. Because of these gifts and other contributions, ABS continues to minister through institutions, armed forces, hospitals, prisons, schools and other vital targets. One request recently brought more than 2600 N. C. residents of several different institutions copies of the Scriptures from ABS grants. These included Samarcand Manor, McCain Prison Unit, McCain Hospital, Leonard Training School, Odum Prison, Morrison Training School, Barium Springs Home, Jackson Training School, Florence Crittenton Home and one public school requesting protions for 550 children.

ANNUITY BOARD

Important Date for all New Members in Plan "A"

The three-plan Southern Baptist Protection Program has one provision in plan "A" that will affect all prospective new members soon, January 1, 1969. If a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child education and dependent parent benefits will be proportionally reduced. Therefore, it is important that all who are now eligible join the Program before January 1.

The response to the new Program has been good. Last year 3, 146 members joined some part of the three-plan Program. The plans in the Protection Program are: Plan "A", formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added, Plan "B", the Age Security Plan; and Plan "C", the Variable Benefit Plan.

Annuitants Receive "13" Check

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. These checks were made possible because of interest earnings in excess of what the plans required.

Dues on Total Salary Encouraged.

Inflation continues to affect us, and the buying power of the dollar has decreased; so the church is encouraged to pay the dues on the total salary of the pastor.

There were 1,202 new members issued certificates in Plan "A" of the Protection Program. A total of 17,400 churches were providing the Program for their ministers.

In our association 24 churches and 24 pastors and workers, including the Associational Missionary, are in the Retirement Program:

APPRECIATION COMMITTEE

On behalf of all who have attended these two days' sessions, the Appreciation Committee wishes to express gratitude to all who helped make this one of the finest Annual Meetings ever held by this association

We would like to express appreciation to Pleasant Hill and Beula's churches for inviting us to meet with them; for every provision made; for the warm welcome and the cordial reception.

To Piedmont Church for their assistance in providing and preparing the bountiful and delicious meal yesterday.

To our moderator, Rev. Virgil Morrow, for the fine manner and spirit in which he presided over these sessions.

To those who planned the program; to all who have participated and to others who will have a part.

To our Superintendent of Missions, I. V. Couch, and the office Secretary, Mrs. Couch, for the service they are rendering for the Lord through this association.

In conclusion, we feel that we speak for all when we say that our hearts have been blessed by the messages, the music, the Christian fellowship and most of all be the Spirit of the Lord who has guided us through this meeting.

BAPTIST CHILDREN'S HOMES

When referring to the needs of people, Jesus said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matt. 25:406).

Baptists, in the establishment, promotion and support of the Children's Homes take literally these words of Jesus and have compassion for the children. Because we do, hundreds of boys and girls who otherwise would be denied many of life's opportunities are received as souls precious to God and are loved as created in His image. Baptists may be proud that they provide a program where children are nurtured in a wholesome way of life and are confronted with values, ideals and principles which are a part of the heritage of the Christian faith.

Under the able leadership of Dr. W. R. Wagoner and his staff an up-to-date program of child care is maintained. Dr. Wagoner said, "Permeating all that is being done by the Children's Homes is a desire to strengthen wholesome Christian family life in contemporary society."

The several services of the Baptist Children's Homes of North Carolina include: group living on five campuses, care for children in need of specialized assistance, foster homes, case work services for individuals and families, referral

services, family services with and without financial assistance, continuing education for college, technical and vocational training, and a demonstrational program of day care, nursery school and kindergarten education.

Also, we may be proud of the advance planning and the progress that is being made in the establishment of the Western North Carolina Children's Home near Waynesville. This home will serve our area and, quite naturally, we have a keen interest in its development. Contributions from individuals and churches are still being received in this endeavor.

Finally, in making your special Thanksgiving Offering for the children of the Homes, remember the words of our Lord when He said, "Of such is the Kingdom of Heaven."

Richard Bass

BAPTIST FOUNDATION

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

BAPTIST HOSPITAL

The North Carolina Baptist Hospital is a referral hospital. It is unfortunate that the idea still exists that our hospital is a general charity hospital where one can receive free medical aid when, in fact, it is one of the finest advanced hospitals in our state. It contains some of the latest and most advanced equipment and practices the most modern technology in medicine. For this reason, our Baptist Hospital is one that takes over when our local hospitals need help beyond that which they can provide. This means our Baptist Hospital helps the hardest medical cases and provides services that our local hospitals cannot provide.

It is very expensive to operate a hospital of this nature, and the trustees of the hospital must work very hard to keep the hospital operating on the money it receives. For this reason, some new financial policies have been made.

The general policy now is that the money to cover the cost of the estimated hospital bill, after available hospital insurance is deducted, must be in hand before the patient is admitted, unless the patient is certified by his Welfare Department or some other agency. In case of an emergency, a patient will be admitted, but if he is unable to pay for his care immediately after admission every effort will be made to transfer him to another hospital as soon as the condition will permit. *

The Mother's Day Fund will be used as heretofore, to pay the difference between the payment of the certifying agency and the total cost of caring for the patient. The free service is limited by the Mother's Day Fund, and these offerings are sorely needed to be greatly enlarged if the hospital is to fulfil its mission.

This past year our association did not give as much to our hospital as it did the previous year. As sad as this report is, in a time of prosperity, let this be a challenge to each of us for this coming year.

(*The statement of general policy was taken from Dr. W. K. McGee's Report to associational leaders.)

BAPTIST STUDENT UNION

The Baptist Student Union is a part of the Christian witness of Southern Baptist work in all institutions of higher learning, and is concerned with the maturing spiritual, moral, and intellectual lives of students and faculty members. The objectives of Southern Baptist Student work are as follows:

1. To lead students and faculty members to commitment to Jesus Christ as Saviour and Lord.
2. To involve them in responsible church membership and in denominational understanding and participation.
3. To guide them in worship and devotional experiences
4. To involve them in the study of the biblical faith and Christian life.
5. To guide them in Christian witnessing.
6. To involve them in experiences of Christian community.
7. To involve them in Christian social life and recreation.
8. To lead them to participate in Christian world missions.
9. To lead them to accept and practice the principles of Christian stewardship.
10. To lead them to examine academic disciplines from a Christian perspective.
11. To enlist and train them for a life of Christian service.

The on-campus ministry of BSU includes Bible study, worship periods, mission study and involvement, forums, discussions, retreats, focus weeks, personal evangelism, service opportunities, recreation, and counselling.

For an elaborate report on the work of the BSU in North Carolina, read pages 108-112 in the 1967 North Carolina Baptist Annual, available from your pastor or the associational office.

One of the finest pieces of literature produced by our convention is The Baptist Student, published monthly, October - June by the Sunday School Board. Gift subscriptions from the churches to all of their college students would be well worth the cost, and would be another way of continuing your church's ministry to those pursuing their education in institutions of higher learning.

BIBLICAL RECORDER

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your Biblical Recorder is not immune from fame of these problems, but there is a brighter side to its ministry. In January, the Recorder had its 135th birthday so this indicates it is durable and hardy. Circulation did not set any new records in the past year; a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the Recorder to have to buckle its belt, but necessary economy steps were well-accepted by our people. One of these was to let the churches pay the state sales tax, thus saving the Recorder nearly \$5,000 a year.

The Recorder is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The Recorder runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the Recorder is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the Recorder is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the Recorder. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget.

The Recorder staff rededicates itself to the job of getting out the best paper possible. Speaking the truth in love is the goal of the Recorder at all times. The support of all Baptists is needed

BROTHERHOOD

In keeping with the basic achievements of the Brotherhood Program, missionary education for men, young men and boys, the Green River Baptist men have had some special to enjoy and by which to be challenged at the regular quarterly meetings. Among these - "Smokey" Burgess as speaker for the R.A.'s; the William A. Mitchners speaking to the joint meeting of the W.M.U. and Brotherhood; and Mr. Forrest Hunt, Superintendent of Rutherford County Schools, speaking on his trip to Russia.

Our association reports 16 Brotherhood organizations, which is one less than last year. The total enrolment this year is 321 which is 37 less than last year. Surely more than a third of our churches could provide this much needed training for the men and boys of our churches!

A good place to begin would be in cooperating with the W.M.U. in the study of the Foreign Mission Series and in the promotion of the Week of Prayer for Foreign Missions, December 1-8, 1968. Also why not look forward to observing Baptist Men's Day, January 26, 1969? The Crusade of the Americas needs you too,

If ever Baptist Men and boys were needed in the activities of the church, it is NOW! Let us strive to improve our report for next year.

Liquor by the Drink: A Backward Step

Increasing talk is being heard of the probability of the 1969 Legislature placing its stamp of approval of legalizing liquor by the drink in North Caro-

lina. It would be on a local option basis; that is, a city or county could hold a referendum on the issues for that particular area. What may happen would be a repercussion of the brown bagging debate last year.

One argument will be that the Legislature by its own act would not be authorizing this liberalization of the liquor laws, but merely allowing local governing areas to make the decision for themselves, even as liquor stores have been established in countless instances across the State in recent years.

To authorize liquor by the drink would be the next thing to restoring the old barroom of a bygone era. North Carolina was once bone dry, at least legally, but by a slow and steady process that has been abandoned. Now, it is proposed to go all the way back to where we began thirty years ago. It would be a backward step for the State to take.

The hard core dries, what is left of them, will resist the new move in the Legislature. In all honesty however, it must be admitted that their ranks have thinned in recent years almost to the point of impotence. It is very doubtful whether they can stem the tide in the next Legislature.

The easier liquor is to obtain, the more drinking there will be. By the same token, the more drinking, the more fatal and other serious accidents there will be on the highways of the State. Instead of reducing the holocaust it will only be accelerated. But the drinkers give only the passing thought to that angle. — Copied

CHRISTIAN EDUCATION

The present emphasis on more and more education for all our people is encouraging. We need, however, to be concerned that our education is all inclusive - that it includes spiritual training along with the secular.

For that very reason Baptists have established seven colleges and one seminary in North Carolina. These are so distributed over the state that no person is very far from one of them.

In these institutions thorough academic instruction is available, as in the other colleges. The extra in our Baptist schools is the fact that spiritual guidance is also a part of the training program. Events within our country at the present time emphasize the need for this additional spiritual training.

The number of young people who can have the privilege of instruction in one of these Baptist institutions if determined by the financial support we provide for them. The more we give, the more students can be accommodated in these schools. And let us not forget that most of those so taught become capable and responsible leaders in our churches.

We can give this larger contribution by more generous support of the Co-operative Program, and by gifts to the educational institutions themselves. In this way, we provide more capable Christian leadership for our own communities.

This is a worthy goal and should challenge each of us to support generously these educational institutions.

COOPERATIVE PROGRAM

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad — it's preaching the gospel — it's healing in the name of Jesus through hospitals and clinics everyone — it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go — preach — teach!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available our association gave \$56,494 during the last year for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

1. That each church plan, vigorously promote, and subscribe a worthy budget.
2. That each church have a special prayer for Cooperative Program causes during each church service in October.
3. That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

EVANGELISM

Evangelism is really our purpose for being - the proclamation of the gospel, the winning of the lost and growth toward Christian maturity. Every organization within a church should exist for these reasons.

The evangelistic emphasis of the Green River Association last year was the Area Crusade for Christ in which Dr. C. E. Autrey, Director of Evangelism of the Home Mission Board of the Southern Baptist Convention did the preaching. The spirit of cooperation of the pastors and churches was excellent.

The decisions were:

Professions of Faith	60
Soulwinning	127
Full-Time Christian Vocation	25
Becoming Part of Solution to World's Problems	20
Rededications	269

Establish Family Altars (Not including last night)	10
Other decisions	15
Total Disbursements for Crusade Expense	5,667.27
Grand Total Receipts	\$6,165.39
Total Disbursements for Crusade Expense	5,667.27
Remainder (Donated to Assoc. office for typewriter).....	498.12
Total Disbursements	<u>\$6,165.39</u>

There was a combined Sunday School meeting and Crusade of the Americas Rally at which time Rev. Billy Rivers of Lenior preached and evangelistic sermon.

Our big challenge for the coming year is the Crusade of the Americas which is scheduled for our association April 6-20, 1969. You might ask why there should be another intensified evangelistic effort again this year? A look at the record of total baptisms for this past year reveals fewer baptisms than the year before, in spite of the special efforts made in our Area Crusade for Christ.

Now is the time to set the date for the Crusade of the Americas in your church and to secure your evangelist.

Guy Johnson

OCTOBER QUARTERLY MEETING

Monday night, October 7, 1968, 7:30 P.M., Rutherfordton First Baptist Church. **Call to order** - Virgil Morrow, vice moderator - Hymn, scripture and prayer. **Minutes** read and approved. New pastors recognized. Roll Call -

Reports - Sunday school, Training Union, Brotherhood and WMU.

Recommendations: by Minutes Committee:

That the statistical information in the tables not be repeated in a separate listing.

Omission of the names of churches which have no report on that particular item.

Omission of the printing of the printed program in the Minutes.

Motion; second; carried.

As information Ted Purcell related to the group the interest in organizing a Polk County Baptist Association and gave a step by step account of activities in that direction. Two letters had been sent to all Baptist churches in Polk County stating this interest and inviting those interested to attend a meeting regarding this matter. The meeting at Columbus Church had 17 of the 28 churches represented and three or four others expressed positive interest. Attending, 55 persons. An overwhelming majority voted to proceed further. A Study Committee was appointed. Also a letter was sent to Dr. Howard Ford to inform the Division of Missions of this desire. Another letter was sent to the Associational Services of the Home Mission Board of guidelines in this matter. It is thought that at least one year would be needed for preparation.

Adjournment, prayer.

Clerk

Beulah — rededicated the inside of the church, built new tables on the outside, had a church sign made, bought a new lawn mower, a new communion service, and put a carpet on the aisles of the building.

Bill's Creek — secured a new pastor, Rev. Samuel F. Putnam.

Byars — plastered inside veneered its building.

Cane Creek — brick veneered its building.

HOMES FOR THE AGING

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of Yanceyville Home, November 1, 1967 and dedicatory services on April 25, 1968 with Governor Dan K. Moore as principal speaker.

When Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Rest Haven, Albemarle Home, Hayes Home, Hamilton Home and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate, tender care.

The opening of Yanceyville Home has relieved greatly the pressure on our waiting list, and persons are encouraged to apply from the various sections of our state.

Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts come from two main sources:

(1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22% of their total support; (2) The Cooperative Program from which we receive 12% of total income. Gifts for 1967 through these two sources were at an all time high, around \$200,000.00. The 1968 Special Day Offering is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained.

Let us be grateful to the Lord to be part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this deserving group.

Gary Lockee

INTERRACIAL COOPERATION

An increase of the spread of the Gospel in all parts of the world depends on loving cooperation across racial lines at home. Thus, the Department of Interracial Cooperation strives to promote more cooperation between the two Baptist state conventions in North Carolina, growing more and better Baptist churches in the interest of more wholesome relations, higher moral standards, keener appreciation of the more noble and holy; things of life, and increased determination toward Godlike living for every community.

Aiding tremendously in the work with National Baptists throughout North Carolina has been the "Statement Concerning the Crisis in Our Nation," adopted by the Southern Baptist Convention on June 5, 1968. Also, the literature, "We Hold These Truths", has opened many avenues for discussion groups to confront the problems of human relations within their churches and communities. Looking toward 1969, the annual statewide conference on evangelism meeting in Greensboro in February will be jointly sponsored by the two Baptist State Conventions.

Sometimes we may think that the problems related to the racial crisis in our country today are too far removed from us to merit any real concern. Often the problems are within our own attitudes and communities if we but face them. Two good opportunities to do this in our churches would be these: (1)

Arrange discussion groups using the materials entitled "We Hold These Truths" and (2) Observe Race Relations Sunday, the second Sunday in February, in your church.

In keeping with the statement adopted by our Convention, let us determine to join "in self-examination under the Spirit of God and to accept the present crisis as a challenge from God to strive for reconciliation by love".

Respectfully submitted,
Ted Purcell

LIBRARY

Reported this year are thirteen church librarie which is one less than last year. Only six of the 14 library report blanks sent out were returned. These six churches reported a total of 2,395 books, 36 filmstrips, 48 recordings and 3 projectors. There were 119 new valumes added this year 56 of which were "In Memory" gifts. Only one church reported filing of periodicals and one other plans to begin filing them this coming year.

Upon request, a meeting was held with the Montford Cove Library Committee and suggestions were made on book selection and on wider use of library materials.

At your request, your associational Library Committee will be more than willing to aid in any way possible this coming year.

Respectfully submitted,
Mrs. I. V. Couch

MISSIONS COMMITTEE

Your Missions Committee met four times in the year carrying out its prescribed duties. We also enjoyed a very happy relationship with the Reverend I. V. Couch in his first full year as our associational missionary. We have evaluated his work and found it to be very satisfactory. Our Chairman, Billy Martin, left during the year.

Reverend Couch's monthly reports revealed he traveled 16,857 miles and was active in some capacity in all but one of the churches. He also carried on several activities outside the association as well as ferquently attending state meetings relating to his work with us.

Sermons preached	88	Revivals preached	4
Revivals attended	12	Sunday School lessons taught	12

RADIO AND TELEVISION COMMISSION

From August, 1967 to August 1968, there was a 9.6% gain in programs distributed by the Commission. Thus the largest audience in its history was reached with the gospel of Christ. During the 12 month period there was a decided increase in the use of television programs.

The distribution of JOT, and animated color cartoon series for children has made the largest impact in the shortest period of time of any program ever produced by the Commission. It receives around 1000 letters and cards a day for this program. JOT is being used by 42 television stations throughout the nation, with a waiting list and plea for additional episodes.

Southern Baptist Radio and Television Commission now claims approximately 20 per cent of all religious public service time on stations scheduling one or more Radio and Television Commission Program. The potential audience for this time each week is estimated at 60 to 75 million, with programs in every state and major city in America and some 40 other countries.

In 1967 almost \$850,000.00 worth of time and production cost donated to the work of the Commission. Network television time in 1968 has been excellent.

Other opportunities continue to develop as all three networks seem to be turning more and more to the Radio and Television Commission with special program ideas.

During the past 12 months the Commission provided radio and television production assistance for 220 church and agency leaders in 36 states - an increase of 56% for the year. Help was given through the mail, by telephone, conferences at the Communications Center in Fort Worth, and by personal visits to various church fields. More than 300 radio and TV spot announcements and format scripts for local use were written in these efforts.

SOUTH MOUNTAIN BAPTIST CAMP

Theme: Serving in Christ's Name

They came by hundreds. They had a deep experience with God. They lifted up their eyes and saw the needs of a lost world. They committed themselves to serve in Christ's Name. They learned more about R. A. and G. A. work. They had fun and lots of good eats.

967 Attended G. A. Camps

433 Attended R. A. Camps

592	Attended over-night Camps
Total	1992
38 (From Green River Association)	

Many more visited during the summer.

There were 800 Making a decision for Christ. This included 163 professions of faith, and 15 for special service.

Special gifts from individuals and church groups enabled us to paint and repair cabins. Work on the pool is progressing and will be ready for use next spring. Asheville Master Pool and Gunite Co. is constructing the pool. It is "L" shaped. It is 60' on the long sides and 30' wide. The depth begins at 27" and slopes gradually to 10' in the diving area.

Your camp can take care of 200 weekly at a very reasonable cost. We have a good program to help the boys and girls. We urge you to inform your people about your camp. (We have 25 minutes of 16 MM color film of the South Mountain Camp Story). Put us in your budget or, have a special offering for us.

Qualified counselors will be provided for fifty cents extra for each camper in your group.

Health authorities require all who attend camp to have a physical examination. Necessary forms will be sent to you.

We were able to maintain our grade "A" rating.

STATE MISSIONS

State Missions has become one of our most vital programs in North Carolina. Through our financial help this ministry is carried through the entire state. From the child care to the elderly, from the migrant to the immigrant, from the civilian to the military, and those who are handicapped, this ministry is helping those who might not otherwise be reached. Aid in erecting new churches and missions, along with our Fruitland Bible Institute training pastors, supplementing salaries of associational missionaries and pastors in small churches are other phases of state Missions.

Pictures and stories about some of the work of State Missions may be found in the September 7, 1968 issue of the Biblical Recorder.

We urge the people of every church in our association to become informed of this ministry and to become involved through prayer and giving money, time and talents.

Respectively submitted,

Lonnie Hall

SUNDAY SCHOOL

The Rutherford and Polk units of the Sunday School held their regular quarterly meetings in their respective units with the October meeting being held jointly in September as Sunday School Action Night.

The place and theme for the four meetings were in order as follows: Calvary, Helps for Vacation Bible School; Oak Ridge, The Sunday School in the Area Crusade for Christ; Main Street, Using the Builder to Build the Sunday School; Pleasant Hill, the Sunday School in the Crusade for the Americas with Rev. Billy G. Rivers of Lower Creek Baptist Church, Lenoir was the inspirational speaker.

The major project of the year was the Director-Led Enlargement Campaign in October 1967. The seven participating churches; Faith, Columbus,

Main Street, Mountain Creek, Round Hill, Rutherfordton First and Spindale First had 175 persons involved in each of the four nights in the study of the Sunday School and its Bible Teaching Ministry.

These churches reported from their census, over 2,000 persons not engaged in Bible Study in Sunday School. We are grateful to Dr. Claude White for bringing Dr. J. K. Durst, Rev. Marvin Chapman, Rev. Rex Campbell, Rev. John Carter, Rev. Russell Barbee, Mr. B. B. Jerningan and Rev. I. V. Couch to lead our churches.

Last year the report showed Sunday Schools with a total enrolment of 6,916 with average attendance of 4,126 and 8 new classes begun. This year we show an increase in enrolment of 84, making the total 7,000. The average attendance is up by 45 and four new classes were begun.

Respectfully submitted,

William F. Bowen, Jr.

TRAINING UNION

These are important days in the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through our Training Unions!

This has been a good year for Training Union in the Green River Association. Your associational Training Union director and other associational officers visited in 19 churches throughout our association this year.

We had no churches represented in the Junior Memory Work Tournament, no churches in the Intermediate Sword Drill Tournament, one church in the Speakers' Tournament, and no church in the Adult Scripture Reading Tournament. This represented one person in one of the tournaments.

Our association was represented in the regional tournament by one young person in the Speakers' Tournament.

We have 30 Training Unions in our association with an enrolment of 1767. Our goal for next year is 33 Training Unions with an enrollment of 1900.

May I urge each of you to study and stay up-to date with the current Training Union materials, especially the **Training Union Magazine**. This is essential in order to know what is going on in the Training Union Work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union Work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,

Reid Hardin, Assoc. Training Union Dir.

WOMAN'S MISSIONARY UNION

As we begin to look back over our year's work, we see that many things were left undone, but again we stop and thank God for the many things that have been done.

We organized a WMU at Big Level Church in Polk County. We had 12 members present. We still have 13 churches without a WMU.

We have had our quarterly Executive meeting with good attendance. Our Annual Meeting in April was well attended. Dr. David Lockard and Dr. Tom Neely were our guest speakers. All the new officers for 1968-69 were elected at the meeting.

We had an Interpretational Meeting on July 18th with 15 churches represented. The purpose of the meeting was to Interpret the New WMU Plans for 1968-69, to our women.

Our offerings this year are still on the increase for which we are grateful.

We are grateful to the Lord for the many blessings this and we hope that next year will be even greater.

Constitution and By-Laws

Article I — Name

The name of this organization shall be the Green River Baptist Association.

Article II — Membership

The membership of this organization shall be composed of pastors of member churches, ordained ministers with membership in the member churches, and elected messengers from member churches. Each church shall be entitled to three elected messengers for the first one hundred members or fraction thereof, and one messenger for each additional one hundred members or fraction thereof.

Member churches shall be all churches listed in the current issue of minutes and all churches received by letter or recommendation from another association and by vote of two-thirds majority of members present. Any other church desiring to unite with the Green River Baptist Association shall make their request to the Advisory Committee at least three months before the annual meeting of the association; and shall before the annual session send the clerk and/or chairman of the Advisory Committee, on a regular associational form letter a three months report of the activities, financial records, and other such information the letter may call for. Church having met these requirements may be recommended by the advisory committee, and may be received under the watch-care of the association for one year. Upon giving satisfactory evidence of their adherence to the faith and practices of Missionary Baptist, may be recommended by the Advisory Committee as constituent members of the Green River Baptist Association. All churches shall be encouraged to adopt a constitution and by-laws in keeping with Southern Baptist Policy and Practice, and, that no church or churches shall be admitted to the association at any time other than at the Annual meeting of the association and only then upon recommendation of the Advisory Committee.

While disclaiming the right of authority to interfere in the affairs of any local church, this association asserts its privilege of using discretion in receiving churches into her membership and in withdrawing fellowship from any church found on careful investigation to be walking in disorder, failing in practice to endorse and support the missionary and benevolent work of the Baptist Denomination in the event that a church fails or refuses to make an **annual report to the association for two successive years, it shall automatically** be excluded from membership in the association, unless the Advisory Committee recommends otherwise.

Article III — Purpose

The primary objective of this association shall be to counsel together for the enlargement and strengthening of God's Kingdom by unity and growth among the churches; and by cooperating with the Baptist State Convention and the Southern Baptist Convention in a program of World Missions.

Article IV — Meetings

The general meeting of the Association shall be held annually on Thursday and Friday following the third Sunday in October.

B—Organizational Officers: Associational Director of Sunday School, Associational Director of Church Training, Associational Director of Baptist Men, Associational Music Director, and Associational Woman's Missionary Union Director. Reports

ADVISORY COMMITTEE

We the Advisory Committee recommend to the association not to accept the Hillcrest Baptist Church of Henrietta into the Green River Baptist Association for the following reasons:

1. Because the church is located in about the center of the Sandy Run Baptist Association.
2. Because of the location of the church, it would not be beneficial to the Green River Association.
3. The Green River Association would not be able to serve the church to the fullest extent because of the location.
4. We feel that the Sandy Run Association could serve the church better and they in turn could be of greater service to that association.
5. We feel that to accept them into the Green River Association when they are in the middle of the Sandy Run Association, could lead to misunderstanding.

Respectfully submitted,

AMERICAN BIBLE SOCIETY

For over one hundred fifty years the American Bible Society has existed for the purpose of printing and distributing Scriptures to people from all parts of the world in the language of the given area. This is done without explanation of or comments on the Scriptures — and without profit. The American Bible Society works through existing churches and organizations irrespective of creed or doctrine. A special effort is made to supply the blind with special Scriptures in braille and on records.

Millions of people have been reached with ABS through the 1,392 languages in which the Scriptures have been printed. The number of dialects and languages spoken in the world are 2,700. There are over a thousand yet to go.

Baptists have always given emphasis to and appreciation for the ABS, more than any other denomination. Our own Baptist State Convention declares October 19 of this year as American Bible Society Day. This is an annual event. It is a time for sharing information concerning ABS, for promoting the organization and for encouraging financial support for the furtherance of the work.

In 1968 North Carolina Baptists gave \$6,500 to ABS. Areas of distribution of the Scriptures include hospitals, prisons, Armed Forces, and other institutions for which they are requested.

The Word of God is the most current message to the people of the

world today. This is a day when pornography is finding its way into thousands of homes, while the Word of God is not known to 2½ billion of the 3 billion people of the world. With a fact like this to stir us, surely we will want to contribute more to this worthy cause in the coming year.

ANNUITY BOARD

Inflationary trends continued during 1968. Living cost rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The program includes: Plan "A," the basic retirement fund; Plan "B," the supplementary fund; and Plan "C," the variable fund. Response was also good in the Life and Health Benefit Plans.

HIGHLIGHTS OF 1968

- 1 — 3,451 new members in the Southern Baptist Protection Program
- 2 — 23,714 members now participating in Plan "A," 1,538 more than in 1967
- 3 — 18,086 churches providing protection for their pastors
- 4 — 145 agencies providing protection for 9,894 employees
- 5 — \$173,863 given in relief grants
- 6 — \$6,543,169 paid in total relief and protection benefits
- 7 — 3,106 applications for Health Benefit Plan, 1,677 net gain
- 8 — 790 applications for Life Benefit Plan, 134 net gain

For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

APPRECIATION COMMITTEE

On behalf of all who have attended this Annual Meeting, the Appreciation Committee wishes to express sincere thanks to all who helped make this one of the finest ever held in this association.

We would like to express gratitude to Columbus, to the other churches which helped, and to Piney Knob for their work in preparation for this meeting, for their generous hospitality, and their warm friendliness extended to us, and for the bountiful and delicious meals.

This committee expresses grateful appreciation to all those who planned and participated on the program.

Minutes of Green River Baptist Association

To our Moderator, Ted Purcell, and Vice Moderator, E. C. Revis, for the fine manner and spirit in which they have presided over these sessions.

To our Superintendent of Missions, I. V. Couch and Mrs. Couch for the service they render through this association.

In conclusion, we feel that we speak for all when we say that our hearts have been blessed by the messages, the music, the Christian fellowship, and most of all by the Spirit of the Lord who has guided us through this meeting.

BAPTIST CHILDREN'S HOMES

Our ministry for the care and development of dependent children and for the strengthening and support of family life is in keeping with the teaching and example of Jesus Christ. More than 1200 children and their families are served annually through the Baptist Children's Homes of North Carolina, Inc.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multi-purpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offspring will be opened sometime this fall.

Due to the rising cost of living, may we keep in mind that contributions through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to the continued operation of our six campuses and regional casework centers throughout the state. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children.

Respectfully submitted,
Richard Bass,
Children's Homes, Rep.

BAPTIST FOUNDATION

The assets of The North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar (\$1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation,

around 1962, the total assets have increased from \$350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a **service** arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

Respectfully submitted,
E. C. Prather, Representative

BAPTIST HOSPITAL

This year our association has made only a slight increase in our hospital offerings during the period from January through August over last year. So far this year our offerings to the hospital have been \$2,573.21 which is an increase of only \$15.51.

There were seven churches not contributing to the hospital. Calvary showed the most noticeable increase in their offerings which was an increase from \$23.00 in 1968 to \$216.00 in 1969. If more of our churches could show this kind of increase, our hospital could be a greater worker of miracles in the Kingdom's work.

The hospital has instituted more efficient admission procedures regarding the patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are better able to discover those patients who may be eligible for medical care assistance through Social Services, departments or other health agencies. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance.

The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted,
Ronald Pinkerton,
Hospital Representative

BAPTIST MEN

One of the greatest needs in our churches today is for Baptist Men to become involved in the total program of the church. Our Baptist Men's organization gives that opportunity to every church. True, our men are busy — involved in business, pledged to civic groups, attached to pleasure, tied to making a living and sought after by many forces — but if a man is too busy to become involved in the Baptist Men's work of the church, he just might be ~~too~~ busy.

Of course, the busiest man in the church is the pastor, but he is the one on whom we **must** depend for challenging the men to commitment in Baptist Men's work. Once the men accept the challenge, the pastor in turn, will receive the greatest benefit. As he sees the spiritual development of the men; as he relies upon them for increased leadership responsibilities; and as they work together to expand the Kingdom of God from the church field to the ends of the earth, the rewards will be worth all the effort.

Two associational Baptist Men's meetings were held this year. Speakers were Mr. William Neely and Mr. Bret Starnes.

No quarterly meetings are scheduled for the coming year due to our 70's Interpretation Clinics in which we hope every man will participate. The up-coming changes are geared to **INVOLVEMENT**. How do you know whether you would enjoy Baptist Men's work when you may not even know what it is?

Immediate opportunities for involvement in Baptist Men's work are at hand: the study of the Foreign Mission Graded Series, Lottie Moon Christmas Offering, Baptist Men's Day in January and unlimited Mission Action projects.

Respectfully submitted,
Elmer Taylor,
Associational Director

CHRISTIAN ACTION LEAGUE

From one standpoint, this has been a good year for those concerned about the beverage alcohol situation in North Carolina. The 1969 General Assembly wrestled with some issues which if they had passed, would have liberalized the laws relating to sales, and would thereby have increased the consumption of alcohol. Every state that has adopted liquor-by-the-drink sales has an increase in per capita consumption.

We are grateful that the General Assembly defeated the following bills:

- The state-wide bill on whiskey-by-the-drink which was introduced by Representative DeBruhl of Buncombe County. This bill was also known as the Travel Council bill.
- The Baugh and Carson State-wide bill on all or nothing. This bill offered two alternatives: TOTAL PROHIBITION or A CONTINUATION of the present system plus local option on liquor-by-the-drink.
- The Mecklenburg County local option bill on liquor-by-the-drink.

—The Moore County local option bill on the same.

—Sen. Jack White's bill on local option A.B.C. votes in any city or town having at least one policeman.

We are rejoicing in some of the bills that were passed:

—The implied consent bill which calls for a mandatory loss of license upon refusal to take the test for driving under the influence of alcohol.

—A bill to increase taxes on beer and whiskey.

Tax on beer up from 3.5 cents to 5¢ per 12 oz. container.

Tax on whiskey up 30¢ per fifth and due to go up more.

The General Assembly is composed of people whom you elect to send to Raleigh. Find out and elect representatives and Senators who will vote dry.

We regret that so many local bills were passed during this session granting local option A.B.C. elections.

Annual church budget support and special contributions are solicited, along with prayer.

CHRISTIAN EDUCATION

At the present time North Carolina Baptists have seven institutions of higher learning: Wake Forest University, Campbell Senior College, Mars Hill Senior College, Meredith Senior College, Gardner-Webb Senior College, Chowan Junior College and Wingate Junior College. About 12,000 students are enrolled in these schools. Of these, more than 500 are preparing for full-time Christian service.

In each college catalog is found a statement of Christian purpose. The Christian college operates on the basic assumption that apart from religious commitment, life can have no ultimate meaning. Jesus Christ is the foundation of all truth and provides the frame of reference in which all knowledge can be examined and used for the good of man and for the glory of God, and the two cannot be separated.

All colleges have regularly scheduled chapel services which provide an opportunity for worship, meditation, scripture, prayer, music and preaching. Our Baptist Colleges are not only concerned with the special role of training the Christian vocational worker, but they are also concerned with the teaching and training of churchmen who will take Christian views and sympathies into any vocation which they enter.

The Cooperative Program is the Baptist college lifeline. Administrations, faculties, students, trustees and alumni are deeply grateful to North Carolina Baptists for this support.

The Baptist College Day Offering has become another significant means of financial support to our Baptist colleges, and each church is urged to participate. An offering for this purpose from each church in our association will not only aid our colleges, but will give each church a feeling that it is supporting the whole program of Christian witness.

Respectfully submitted.

CHURCH LIBRARY

The Church Library is a partner in the common task of the church. It should be with anticipation that we look toward the new decade of the 70's. The library services should be the greatest ever with the church leadership using these services more than ever before.

A Church Library contains books, which if used, will mean much to Christian development, but as a resource center, it has much more to offer: audio-visual aids, vertical files, recordings, displays, etc., for all age-groups within the church family.

Main Street Church opened its new library, temporarily using a class room. A very impressive Dedication Service was held Sunday night, October 5th, under the direction of Mrs. Earl Tomblin, Director of Library Services.

If the Church Library could have a place in the church budget, it could more nearly meet the challenge of the changing 70's.

Your newly elected Library Committee (listed under Committee on Committees) offers service in helping you to begin a library, to process your books and to advise in the expansion of your Library Services.

CHRISTIAN LITERATURE

The year 1969 has been one of the most significant in the 136-year history of the **Biblical Recorder**. True, we cannot point to any spectacular gains in circulation, but each week the **Recorder** is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the **Recorder** has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark — a historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the **Recorder** gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The **Recorder** should be in every Baptist home.

We will continue to speak the truth in love.

J. E. Brock, Representative

CHURCH TRAINING

These are exciting days for Church Training. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through the Church Training Ministry.

This has been a busy year for Church Training in the Green River Association. Your Associational Church Training Director or other associational officers visited in 14 churches throughout our association this year.

1. Special projects engaged in includes Associational Officers' Training Meetings and New Church Member Orientation Clinics.

We had two churches represented in the Junior Memory Work Tournament; one church in the Intermediate Sword Drill Tournament; two churches in the Speakers' Tournament, and one in the Adult Scripture Reading Tournament. This represented 8 people in one or more of the tournaments.

2. Our association was represented in the regional tournaments by: Mrs. Marlene Fisher, Hickory Grove — Adult Scripture Reader
Miss Martha Spurlin, Main Street — Speakers' Tournament
Virginia Steadman, Hickory Grove — Intermediate Sword Drill
Debbie Wells and Vickie Briscoe — Southern — Junior Memory Work

3. Our Association was represented in the State Speakers' Tournament by Miss Martha Spurlin.

Forty people from our association reported having attended summer assemblies during Church Training Week.

We have 29 Training Unions in our association with an enrollment of 1939: Our goal for next year is 23 Training Unions for the churches remaining in the Green River Association.

May I urge each of you to study and stay up to date with current Training Union materials, especially the **Training Union Magazine**. This is essential in order to keep up with the larger ministry of Church Training.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Church Training Work. I would like to pledge to you my best during the coming year, and beg you to support and make use of the Church Training Ministries as a means toward a more effective Christian witness through the local church.

COOPERATIVE PROGRAM

The churches of the Green River Association have for many years been giving through the Cooperative Program. This system of giving was devised some forty years ago, immediately after the \$75,000,000 Campaign which some of us so well remember. From the very beginning it has met the complete satisfaction of all churches in the Southern Baptist Convention. Billy Graham has said of it, "It is the greatest means ever devised of giving to the Lord's work and I wholeheartedly recommend it."

Without a doubt the Cooperative way of giving is about as fair, as efficient, and as practical as man can make it. The system has worked for all these years without a flaw — so well in fact, that there has been little need for change or improvement.

The Cooperative Program way of sharing our gifts is **good**. The cause is right. Certainly no one can question. This is the only way we can become joint partners with God in carrying out His Great Commission.

We recommend:

- (1) All churches start some kind of Forward Program of Christian Fellowship. "If you really care — SHARE."
- (2) Give prayerfully and sacrificially.
- (3) We usually have about 90% of our churches giving through the Cooperative Program. Let us work for 100% during the next year.

Respectfully submitted,
Eulas E. Davis,
Cooperative Program Rep.

EVANGELISM

The simultaneous revival meetings held last spring as a part of the Crusade of the Americas bore evidence, in some places across the state, of being genuine spiritual revivals. Where God's people sowed bountifully, they reaped gloriously. In our association, there were 27 churches participating in the Crusade of the Americas. Only 12 of our churches reported the results to our associational office. These twelve churches reported 41 baptisms and 11 additions by letter.

As we face the future in evangelism we should take note of what happened this year where outstanding revivals were experienced. This will give some guidelines for future plans in evangelism. As observed across the state some of the characteristics were:

1. In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation across several months on the part of some church people — usually the leaders. This definitely says something to us for the future.

2. Some of the most powerful revivals in our state started among the young people of our churches. Young people are prominent in many places today (mostly in worldly places,) and it is encouraging to know that when they offer themselves to God to be used in His purpose, as many are doing, that revivals break forth in the churches. This has taken place in several churches in North Carolina this year. It ought to be happening everywhere.

In the light of what we have seen this year, here are some "musts" for the future:

1. To seek earnestly to be completely assured in our hearts and minds that the only hope for us and all people is Christ — Christ as He and His gospel are revealed by the Holy Spirit through the Bible, the inspired and inerrant Word of God.

2. To purpose to engage daily in searching the Scriptures and in praying for spiritual revival in the churches. Some have made a beginning in this vital matter and all other Christians should join them and continue steadfastly therein.

3. To proclaim faithfully "publicly and from house to house" (Acts 20:20) the glorious gospel of Christ, and to make this purpose central in all church plans, programs and activities.

Respectfully submitted,
Guy Johnson, Chairman

SPECIAL CALL MEETING of the churches remaining in the Green River Baptist Association was held at Rutherfordton, First Church September 8, 1969 at 7:30 P.M.

Call to Order — Rev. E. C. Revis, Vice Moderator.

Hymn — "To the Work."

Scripture and Prayer — Rev. William F. Bowen, Jr.

Rev. Revis called upon the Superintendent of Missions, I. V. Couch, to give an explanation of the purpose of the meeting.

Rev. Couch explained that: It is a time to share information concerning the newly formed Polk Association which will reduce the Green River Association by at least ten churches which have already voted to become a part of Polk Association. These are: Silver Creek, Pea Ridge, Beulah, Morgan Chapel, Faith, Big Level, Columbus, Byars, Midway and Hickory Grove.

The forming of the Polk Baptist Association was the result of several years of consideration.

No ill will is known to be a determining factor.

The geographic location of the associational office made it impossible for the distant churches to share equally in the ministries from the office and its staff.

Meetings had been held and steps had been taken toward forming the Polk Association during the past year and reports had been made to the Green River Association at the regular Executive Committee meetings.

Sunday, September 21, had been set as the date of organizing.

The churches becoming a part of Polk Association will ask for release from the Green River during the annual session of said association.

Questions concerning the financial adjustment were directed to Rev. W. J. Nolan, Chairman of Budget and Finance Committee. He explained that the solution would be a simple one if all the remaining churches would give the recommended 3% of the total church budget to Associational Missions.

Due to the change in structure of the Association, Rev. Wade Ruff was named to replace Rev. Gary Lockee on Committee on Committees.

Rev. J. E. Brock was named to replace Mr. E. H. Gibbs on the Nominating Committee.

Rev. L. P. Barnette was named to the Constitutional Change Committee, replacing Rev. W. T. Roberson who now serves in Vietnam.

It was pointed out that more people from the remaining churches would have to assume more places of leadership.

It has been said that more than anything else, prayer, understanding, dedication to the task and a spirit of cooperation are essential to the success of both groups.

Adjournment — Prayer.

Mrs. I. V. Couch, Clerk

October Quarterly Meeting

At Rutherfordton First Church, October 6, 1969, 7:30 P.M.

Call to Order — Rev Ted Purcell.

Scripture, Psalm 19:7-14 and **Prayer** by Rev. William F. Bowen, Jr.

Minutes — Read and approved.

Reports: Financial, Sunday School, Woman's Missionary Union, and Missions Committee. (See Reports section.)

Rev. Purcell reported that the Poik Association had become a reality with 18 churches — at the present. He expressed appreciation for the understanding shown by the churches remaining in the Green River Association and assured those present that no rebellion or hostility had entered into the forming of the Polk Baptist Association, stating that it just seemed more logical for the association to more nearly follow county lines in order to better serve the Lord.

Applications for Student Aid were presented:

1. For David Ford, ministerial student at Gardner-Webb College. David is a member of Montford Cove Church. The request for aid was a \$200.00 scholarship for the second semester this year.

2. For Michael Shook, ministerial student at Gardner-Webb College. He is a member at Round Hill Church. The request is for a \$200.00 scholarship for the second semester this year.

HOMES FOR AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and goodness than during the past year. The economy of the Homes was at its lowest ebb. On the 3rd Sunday of February the churches gave the greatest offering in the Homes' history. The Lord has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

We shall continue to trust in the Lord and have faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the aging . . . the Special Offering and the Cooperative Program. Through these two sources, one third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we continue to assist these needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We believe that our Baptist people will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest, has been filled to capacity. Almost 200 deserving men and women are living there and in our other four Homes — Resthaven and Hayes Homes, Winston-Salem; Albemarle Home, Albemarle; and Hamilton Home, Hamilton. These are finding Christian companionship with persons of their age and security in being loved and cared for, sick or well.

It is rewarding to see the light and joy of Christ on an older person's face and to hear words of appreciation for all that North Carolina Baptists are making possible through this ministry. We believe that Baptist people will have an ever-increasing part in this labor of love in the Master's name. We know that the Lord will not fail us, and that Baptist people will want to be even more faithful.

Respectfully submitted,
Gary Lockee, Representative

INTERRACIAL COOPERATION

During 1969 Baptists in the two state conventions have strengthened established work and opened new work.

Members of General Baptist Convention shared in the statewide Vacation Bible School Clinic, Wingate College, January, planned by the Sunday School Department. An inspirational message was delivered by Dr. Leon Riddick, Negro pastor from Charlotte.

A second time, the statewide evangelism conferences, Greensboro, was sponsored by the two conventions. The first co-sponsored statewide Men and Boys Convention, Winston Salem, arranged by the Laymen's League of the General Baptist Convention and the Brotherhood Department, was held in March with an attendance of 7,000.

April Human Relation's Conferences utilized the talents of Dr. W. R. Grigg and Dr. Emmanuel McCall, Home Mission Board.

Other departments utilizing Negro talents, included the May Youth Convention, Lumberton, planned by the Church Training Department which featured Dr. F. G. Sampson Louisville pastor (Kentucky). Dr. and Mrs. C. R. Edwards, First Church, Fayetteville, served as the first Negro conference leaders at North Carolina Baptist Assembly during World Missions Week in June.

Churches and associations have encouraged work with National Baptists on the local level. Bi-racial revivals were held in Roberson and Anson Associations.

Scholarship aid was provided for 22 students at Shaw University, North Carolina College, Fruitland Bible Institute, Union Christian Institute and Hardbarger Business College.

Vacation Bible School helped with 52 schools, enrolling 5,132 people. Week Day Bible Camps were held at Mount Zion Baptist Church, Asheville and Bethel "A" Baptist Church, Brevard.

Serving the department are: Corbin Cooper, Secretary; Mrs. Mary Washington, Office Secretary; Rev. C. C. Craig, Rev. J. Z. Alexander, Raleigh; Rev. Marvin Williams, Rocky Mount; Rev. Benjamin Daniels, Winston Salem; and Mrs. Alcovia McCall, Asheville plus 17 summer workers (two being sponsored by the Home Mission Board.)

MISSIONS COMMITTEE

At the Regular Quarterly Meetings of the Missions Committee, the work of the association and its Superintendent of Missions have been reviewed. A discussion of the progress of the proposed Polk Association was a part of each committee meeting. Ideas for improving participation were discussed and two of them in particular have been implemented. The promotion of the financial program was suggested to the Finance Committee which has made a real effort to inform the association of financial needs in support of the Associational Program. The other concrete work was the working up and disbursing of the special leaflet for the Week of Prayer for Associational Missions. From verbal reports, the material was extensively used in the churches of the association.

During the year we lost the services of our chairman, Robert Rownd, as he went to pastor a church in the Sandy Run Association. To fill this vacancy, William F. Bowen, Jr. was elected chairman.

As the Missions Committee received a statistical report of the work of I. V. Couch, Superintendent of Missions, it has worked closely with him with counsel and planning. Your committee feels that the Green River Association is fortunate indeed to have Mr. Couch as Superintendent of Missions.

The office is efficiently run and has proved invaluable service to the whole association. Much credit is due to Mrs. Couch for her work above and beyond the call of duty. She is employed for fifteen hours a week, but provided on the average about 35 hours of work per week.

THE FOLLOWING IS A STATISTICAL REPORT OF THE YEAR'S WORK OF MR. COUCH COMPILED FROM HIS MONTHLY REPORTS:

RADIO AND TELEVISION COMMISSION

94% of the homes in America have one or more television sets, while radio, never replaced by television, occupies a very prominent place in American life. On T.V. our Radio and Television Commission presents "The Answer," a thirty minute color television series featuring both dramatic and documentary films; "Jot," a 5 minute animated color cartoon series for children which has achieved tremendous popularity; and Dr. Theodore Adam's "Spots," a series of sixty second inspirational spots. There are also special network television specials from time to time.

On Radio the Commission presents "The Baptist Hour," a 30 minute modified worship program; "Mastercontrol," a thirty minute variety inspirational program for the entire family; "Music to Remember," a 15 minute program of religious music; "Omniscopes" a 30 minute variety program designed exclusively for college campus radio stations; "Manna in the Morning," a 4½ minute devotional; "Religious News," a 5 minute program and "Powerline," a 30 minute popular music program with tips on contemporary life for teenagers. SOUTH MOUNTAIN BAPTIST CAMP 1969 SESSION

Theme. "Helping Christ Help the World"

Your camp continues to be a channel through which God is making deep and lasting impressions on thousands of young people and their leaders. 210 more G.A.'s and R.A.'s attended camps at South Mountain than last year. The G.A. attendance was 1097, R.A. was 513, and other groups were 666, making a total of 2276 for the summer. Hundreds drove in for special services. The staff is included in the attendance.

918 responded to the challenge of the gospel, 154 of these were professions of faith, and 38 were volunteers for special service. Through Bible study, mission study, worship, and discussion, the campers were made strangely aware that being a Christian is a unique way of life. Also, that every Christian has an unavoidable responsibility to share Christ with the whole world.

The new \$25,000.00 swimming pool was a very popular area of the camp twice a day. Many campers said, "It is almost unbelievable to have such a nice big swimming pool here in the mountains." It would have been impossible had it not been for much free labor. The approximate cost of the pool was \$16,000.00 Our indebtedness on the pool is \$8,500.00. The total indebtedness on the camp now is \$13,000.00.

Your camp can take care of over 200 weekly. The cost for 4 days was \$9.00 and the cost for 5 days was \$11.00.

We have color slides, 8mm, and 16mm film telling the camp story. We would like to have the opportunity to send a team to put on a program about your camp in 100 churches during the next six months.

More churches each year recognize the unique service that we render and put the camp in their budget. This is necessary for capital needs such as the pool, the road etc.

Our receipts through fees, store, mission offerings, and crafts was over \$19,000 which was deposited into the general camp fund. We received \$15,000 for operational fund. A complete financial statement will be available.

Please pray for us. Bring your young people to camp. Put us in your budget. We would like to pay off our debt by 1971.

Respectfully submitted,
A. C. Martin, Chairman

STATE MISSIONS

State Missions include no less than 18 ministries, all under the direction of the Division of Missions. Each of these ministries work toward one supreme task, that is to lead people to Jesus Christ.

State Missions is the oldest offering among North Carolina Baptists. For more than one hundred years, it has been a part of North Carolina life and through the local church and association it has made a deep spiritual imprint.

State Missions are evident in all phases of Baptist work such as:

1. Small churches (financially)
2. Large churches (training)
3. Fruitland
4. About 70 Seminary Extension Programs
5. Resort Centers
6. Baptist Centers
7. Military Work

These are just a portion of various avenues used by our State Missions Program to reach people for Christ. State Missions meets the needs as they arise. This can only be accomplished through the association and the local churches. Due to the rapid growth of our state, the needs are many which await our ministry through State Missions. The opportunities are unlimited.

Our own association has received the blessings of a Resort Ministry this past summer as Chimney Rock Church with State Convention aid, sponsored a "Saturday night happening" of religious folk music and a film and a Sunday morning preaching service by the lake. An indication of the interest was the 73 people who came during a pour-down of rain to hear Rev. R. J. Pinkerton who preached under an umbrella. An increase in State Missions gifts could help us in our own resort area. Let us give even more loyal support and cooperation in the future than in the past.

Respectfully submitted,
Harold DeLozier

STUDENT UNION

The Baptist Student Union is a specialized focus of the denomination as it seeks to work with those in the academic community. It operates on guidelines decided upon by the Convention.

Baptist Student Union Convention met in Gastonia April 18-20, 1969 at which time several resolutions were passed and new officers were elected.

Students worked this summer in multi-faceted ministries including:

1. Rest Homes
2. Homes for Alcoholics
3. Juvenile Offices
4. Mental Health Centers
5. Day Care Centers for Retarded
6. Kindergartens
7. Clinic for Evaluating the Progress of Emotionally Disturbed and Retarded.
8. Vacation Bible School
9. Leading in Worship Services

Respectfully submitted,
Dan Wallace

SUNDAY SCHOOL

The Sunday School organization held quarterly meetings with varied programs. One was an Age-Group Conference and other two were led by Rev. Sam Putnam speaking on "Conserving the Fruits of Revival" and Rev. Richard Bass discussing "A Church Visitation Program." The fourth meeting was not held, but the time was used for a Called Meeting of the association. In April there was a Sunday School Witnessing Clinics with Rev. Burrell Lucas and his associate, Rev. Richard Brown leading. This was in preparation for participation in the Crusade or the Americas.

Looking ahead to the changes for next year, no quarterly meetings are scheduled. Instead, there will be meetings in February and June to inform the churches of the organizational and literature changes which go into effect in October 1970.

Your superintendent is available to help individual churches in any way he can. Call on him.

Respectfully yours,
William F. Bowen, Jr., Assoc. Supt.

WOMAN'S MISSIONARY UNION REPORT

We live at an incredible moment in history — a day of transition and change. The thought that no person dies in the world into which he was born reminds one of the tempo of transition. As the tempo increases time is shorter for assimilation and adjustment. Woman's Missionary Union of the Green River Baptist Association has accepted these changes with dignity and seeks to perform distinctive leadership in helping carry out their obligation to world missions and to bring all women and young people to their highest fulfilment of responsibility for this cause. The guiding star of Christ's followers is still "Go ye!" and in spite of almost two thousand years of world map alterations, we hold on to a constant global obligation, "—into all the world."

Determined to meet the changes, fulfil this directive, and carry the goals of mission study, stewardship, prayer, and mission action, the associational leaders attended the W.M.U. Conference at Ridgecrest and nine leaders went to Black Mountain Baptist Church for the North Carolina Workshop. An interpretation meeting was held at Southern Church to explain the new changes. This conference was well attended and ably led by Mrs. Hilda Enloe. The associational leadership conference was at the First Baptist Church of Rutherfordton where more than 100 ladies participated. All officers and committee chairmen led conferences for W.M.U., W.M.S., Y.W.A., G.A. and Sunbeam leaders.

During the year study courses, G.A. Coronation Services, a Sunbeam Day Camp and a Y.W.A. Prayer Retreat were held.

Ten ladies from the association attended the Annual State W.M.U. Meeting held in Charlotte, N. C.

The highlight meeting of the year was the Annual W.M.U. Associational Meeting at Columbus Church with a large number in attendance, an inspirational program, fine fellowship, and a delicious dinner served by the host church. A number of pastors and laymen was present.

May we follow where Christ leads!

Mrs. Alma Lynch, Assoc. Director

REPORTS

AMERICAN BIBLE SOCIETY

All the work of the American Bible Society is founded on these basic missionary principles:

1. People must have the Bible because it presents Jesus Christ, the one hope of men and nations.
2. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.
3. The Bible is the essential tool of missions and evangelism. The missionary uses it in all of his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a person's heart.
4. But, there is a worldwide shortage of Bibles - because, in most countries, people cannot afford even the cost of printing the Scriptures.

It is a missionary non-profit organization serving churches of many denominations. It helps missionaries translate the Bible. It publishes the Scriptures without note or comment and distributes them at below cost. It publishes the Bible in Braille for the blind, as well as tape recordings and records.

During the year 1969 the American Bible Society:

1. Sent some part of the Bible across the world in 1,413 languages; the full Bible in 244, a Testament in 324 more, a Gospel in 845 more languages.
2. They gave 2,224,844 Scripture volumes for distribution by Chaplains to our Armed Forces and Veteran's Hospitals.
3. They distributed 76,216,553 Scripture volumes in the U.S.A. and a total of 105,381,103 volumes in over 800 languages in 150 countries.
4. They continued to develop Scriptures in everyday speech. Outstanding among these is the Today's English Version New Testament, "GOOD NEWS FOR MODERN MAN."

In 1969 Southern Baptists gave \$232,765 to the American Bible Society and ranked first among all denominations.

Suggested amounts for churches are:

- | | |
|------------------------|----------------|
| 1. Smaller churches | \$ 10 to \$ 60 |
| 2. Larger churches | \$ 60 to \$300 |
| 3. Great city churches | \$300 or more |

Please send your gifts to your Baptist state office marked "for American Bible Society!"

ANNUITY BOARD

GOOD EXPERIENCE CREDIT BOOSTS BENEFITS

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970. Briefly, here is how it works.

For the active member and his family the stipulated amounts of eligible benefits in Plans A10 and A11 (formerly Southern Baptist Protection Plan) now are the minimum. The "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending on interest earned.

Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. In addition, these members received the "13th Check" in February. The "good experience credit" and the "13th Check" are realities because interest earnings were in excess of what was required actuarially by the plans. "13th Check" LARGEST TO DATE

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

HISTORY OF BENEFITS PAID

Since 1918 the Annuity Board has paid \$73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

HIGHLIGHTS OF 1969

If the "good experience credit" had been the only accomplishment, 1969 would have to rank as one of the most successful years in Board history, but there were other impressive accomplishments. Here are highlights of the Annuity Board services for 1969.

ANNUITY BOARD PROGRAMS

A minister, church or denominational employee can create a protection program

Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

The Green River Association and 25 churches (29 persons) are participating in the Protection Program (June 30, 1970).

BAPTIST CHILDREN'S HOMES

North Carolina Baptists, eighty-five years ago, launched a Christian ministry of child care. This has grown considerably and is widely recognized for the qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world and are actively engaged in all walks of life.

The Children's Homes are recognized as a family service agency made possible by a well trained staff who provide leadership for group care programs, foster home care, family services and preschool programs. This program unfolds on six campuses and through the work of regional casework centers throughout the state.

Friends of the Children's Homes have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the sites and construct the first two buildings. Two cottages for children are now under construction and are scheduled to be ready for use next spring. When the campus has been completed provision will have been made for

four cottages for children, an administrative building and a home for the superintendent.

The contribution of our Baptist people through the Cooperative Program, the Thanks-giving Offering and special gifts are essential to the continued operation and are received with deep appreciation. We covenant with you to face the future as we have the past to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

BAPTIST FOUNDATION

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from \$350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Co-operative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUSTS AND WILLS: THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

BAPTIST HOSPITAL

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces... When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and

amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided \$565,000 of this amount - \$237,000 through the Cooperative Program and \$328,000 through the Mother's Day Offering. To date this year twenty-three churches in our association contributed \$1,796.84 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

It is disappointing that the offerings in the Green River Association have decreased while our hospital is in such a financial strain. Only ten churches showed any increase in the hospital offering and eight churches did not contribute at all. In the coming year we are going to have to give our Baptist Hospital additional support.

CHRISTIAN ACTION LEAGUE

Liquor is enemy No. 1. Who is to blame for this condition? Many people have a "Wish bone" where they need a backbone. The Psalmist says about Strong Drink: "At the last it biteth like a serpent and stingeth like an adder." Strong drink has sent more souls unprepared to HELL than all the wars and pestilences, since the beginning of the human race.

Take the profit out of whiskey traffic and it will banish from the earth. The American people spend over ten billion dollars yearly for strong drink. There are over five hundred thousand alcoholics in North Carolina and the number is growing by fifty thousand yearly. It is said that the number one drug abused on Campus today remains Alcohol with Marijuana running a distant in second place. We as Christians must wake up to the fact that Alcohol is destroying the four walls of so many American homes today and not least to say is endangering life after life out on the highways. The greatest tragedy is that the word Alcohol is losing its meaning. Why don't we wake up in our pulpits and label it POISON: Keep out of reach of all people. Let's tell it like it is once again, No drunkard can enter the Kingdom of Heaven.

We have SUGAR COATED THE GOSPEL TOO LONG. Because one life is worth the world, we must realize the hazard to health and life of drugs, alcohol, and nicotine. Christians, let's take action and warn our young people not to partake of these drugs in any form, whether it be Drugs or Alcohol.

CHRISTIAN EDUCATION

Christian Education combines two of the most important elements of modern life - Education and the proper attitude toward God and man. As life becomes more complicated, the need for thorough training increases; and as secularism (worldliness) pulls

harder at the heartstrings of most of us, the teachings of Christ must wield a greater influence than ever.

The purpose of the Baptists of North Carolina in providing Christian Education, through its colleges, within reach of all our people, is to give both thorough academic and scientific knowledge, and to saturate that training with the spirit of the Christ.

Baptists support seven colleges in North Carolina, all of them dedicated to the full development of their pupils, physically, mentally, and spiritually. From pupils so trained come most of our church leaders. Without these, our denomination could not survive.

These institutions - Chowan and Campbell in the east, Meredith and Wake Forest nearer the center, Wingate, Gardner-Webb, and Mars Hill farther west - deserve the enthusiastic support of all Baptists of the state. Many can make financial contributions; many can send their children; and all of us can support these institutions with our good will and our prayers. All of these are needed.

The success of Baptist work in the state, and to some extent in the entire world, will be in direct proportion to our support of Christian Education.

CHRISTIAN LITERATURE

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the BIBLICAL RECORDER as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the RECORDER was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A RECORDER editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence the RECORDER has had in the past year.

Looking to the future, the Recorder promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the RECORDER to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The RECORDER is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

CHURCH LIBRARY

The Church Library is a partner in the common task of the church. It should be with anticipation that we look toward the new decade of the 70's. The library services should be the greatest ever with the church leadership using these services more than ever before.

A church library contains books, which if used, will mean much more to Christian development for all age-groups within the church family.

Southern Church has set aside a room for a library, built shelves, and ordered new materials and books under the direction of Mrs. Lee Gregory, librarian.

Your Library Committee (listed under Committee on Committees) offers services in helping you to begin a library, to process your books and to advise in the expansion of your Library Services.

CHURCH TRAINING

These are exciting days for Church Training. Many new ideas, new materials, and a new approach to our need for Christian Training are coming to us through the training ministry of the church.

This has been a busy year for Church Training in the Green River Association. We have had two associational regular meetings this year. "M" Night was held with Green Hill Church and the Youth Night Program was also held at Green Hill Church.

Your Director attended two State Briefing meetings and conducted 4 nights of study in our association on the new materials for coming years. He also conducted 4 nights of study in other associations. I had the privilege of visiting in 12 churches this past year. We had no churches this year represented in the Tournaments. We organized one new Training Union this year. We have 11 churches with Church Training this year but hope we can organize at least 5 this coming year. May I urge each of you to study and stay up to date with Church Training Union materials, especially the Training Union Magazine. This is essential in order to keep up with the ministry of Church Training.

Also may I thank each of you for your prayers, assistance, and support carrying on the Church Training program. I would like to pledge to you my best this year and beg you to support and make use of the Church Training Ministries towards a more effective Christian witness through the local church.

COOPERATIVE PROGRAM

In a day when church interest is at decline, when church membership is barely holding its own, we are happy to report that missions gifts throughout the Southern Baptist area are steadily increasing. Especially is this true of our own state of North

Carolina. For instance, within the last seven years our missions gifts have gone from eight million to nearly fourteen million dollars annually. At least we can say that we are keeping pace with the inflationary trend.

The Business Office at the State Baptist Convention at Raleigh reports that the 30 churches, which now make up the Green River Baptist Association, paid in \$27,854.99 from January 1 to June 30 of this year to the Cooperative Fund. This figure is not by any means a true picture of what we will do this year. For the last several years our churches paid in about twice as much in the last half of the year as they do the first half. If this be the case, and we have every reason to expect it will be, then our 30 churches will be giving as much or more than they ever did before we lost several churches to the Polk Association.

However, there is one dark picture. Out of the 30 churches in our association we had more than 25% not reporting any gifts the first half of this year. Then again we have every assurance these churches will come across in due time. Indeed we can very well expect that when we meet 1971, the Green River Association will be 100% sharing in the Cooperative Program.

We recommend:

1. Strive to be able to report to the association in 1971 that every church shared in the Cooperative Program.
2. To set aside the month of October to emphasize the Program.
3. Do this and the first and second recommendations will be easily achieved: If you do not have one, start at once a healthy Stewardship Program.

EVANGELISM

In associational evangelism clinics a strong emphasis was placed upon: Shaping the 70's through Evangelism, Strength for living Revivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependence upon the Holy Spirit, genuine prayer, careful planning, and involvement of adults and youth in witnessing.

All Christians need to accept the challenge of Acts 2:32 - "This Jesus hath God raised up, whereof we all are witnesses." In his book, "Exploring Evangelism," Mendall Taylor reminds us of this tremendous truth: "When Christians fail to evangelize, the very existence of the church is threatened. Evangelism is indispensable in the life of the church." All Christians can reveal to the world a greater concern for evangelism and total Christianity.

Although not associational-wide, several of our churches united in an Evangelistic Crusade last June conducted by Dr. Hyman Applman. The services were held at Pleasant Hill Church until the attendance grew so large that it merited a larger auditorium. The last services were conducted in the First Baptist Church of Spindale. There were forty professions of faith and more than 300 other decisions.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum of February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

October Quarterly Meeting

October 5, 1970, 7:30 P.M., Rutherfordton First Church

HYMN - led by Rev. William F. Bowen.

SCRIPTURE (Ephesians 2) and PRAYER - Rev. Dan Wallace.

CALL TO ORDER - Rev. E.C. Revis, Mive Moderator, presiding in the abence of the Moderator.

MINUTES - Read and approved.

REPORTS: Financial (See Reports Section).

Sunday School: Rev. Bowen reported on the August Sunday School Clinic stating that there was an average of ninety two persons each night. He reported a good response to the clinic and stated that similar meetings would be held this next year for planning the Sunday School program.

Training Union: Mr. Reid Hardin reported that there was no Training Union meeting this past quarter but future meetings must be planned before the first of the year regarding the Training Program. He called attention to the date for "M" Night. It was belived that a change to November rather than December as regularly scheduled would result in more emphasis to the program.

WMU: Mrs. Lynch reported on her trips to Ashville, the State Workshop in Asheboro, the WMU Conference at Ridgecrest, and her work with the WMU in the Polk Association. She also reported on the Associational WMU Leadership Conference held at First Baptist Church, Rutherfordton, stating that there was new interest in the WMU work in the association. Mention was made of the Manual Study for Baptist Women, to be held October 12 under the direction of Mrs. Jo Lynn. April 22, rather than the 23rd, as listed in the calendar, was given as the date for the Annual WMU Associational Meeting.

OLD BUSINESS:

Mr. Neely reported that no action had been taken regarding a possible merger with the Sandy Run Association. This was due to the work of the Missions Committee in finding that it would be more advantageous to the Green River Association to hire another missionary rather than merge with Sandy Run. Suggestions were made regarding hiring a young mission worker who would work with summer programs, ministry to area youths, and rehabilitation programs for teenagers just out of prison. It was reported that our budget would support such a program - state support of the program was also reported. Rev. Revis stated that a motion to this effect would be brought up at the annual meeting.

NEW BUSINESS:

Rev. Revis gave requests for aid in the amount of \$200.00 each for the following students attending Gardner-Webb College: Steve and Sharon Gregory, Southern Baptist Church; Rita Justice, Mountain Creek Baptist Church; David Ford, Montford Cove Baptist Church; and Michael Shook, Round Hill Baptist Church. HISTORY OF THE CHURCHES IN THE GREEN RIVER ASSOCIATION FOR THE YEAR 1969-70

The historical events of the churches in our association for the past year are as follows:

Bill's Creek - Painted the baptistry, purchased new hymnals, received a typewriter donated to the church, and received a bequest from an estate with which they paid off the balance on a note and gave 10% to world missions.

Calvary - Began a new educational building.

Camp Creek - Put gravel on their drive, painted the church outside, enlarged their recreation area by removing a partition on the lower floor, and bought four new folding tables.

Chimney Rock - Dedicated their new pastorium and burned the note against it. Again they conducted a ministry to about 1700 tourists and other visitors to the Lake Lure area during the summer giving away 250 copies of "Good News for Modern Man" and placing those remaining on hand in motels.

Green Hill - Held the first service in the new church building in October, 1969, held a dedication service and openhouse in November, 1969, and laid the corner stone in May, 1970. Rev. C.C. Nanney accepted the call as pastor in December, 1969.

Main Street - Constructed a new educational building, and improved the grounds.

Montford Cove - Began remodeling of the sanctuary, and carpeted the living room of the parsonage.

Mount Vernon - Began construction of a new pastorium.

Oak Springs - Observed their 50th Anniversary.

Piedmont - Installed air conditioning in the Pastor's Study.

Pleasant Crove (R) - Held layman's revival, and the G.A.'s attended the G.A. Conference at Caswell.

Pleasant Hill - Bought a Baby Grand Piano, put new carpet on the sanctuary floor, voted to build a pastorium, extended the choir loft and bought new seats, painted the outside of the church, repaired the balcony, and dug a new well.

Round Hill - Gave their pastor, Rev. W.F. Bowen, leave of absence for the month of July to study in the Southern Seminary. He completed the work required for the Master of Divinity Degree. The church cleared more woodland for the enlarging of the cemetery.

Rutherfordton First - Adopted a Church Constitution for the first time, and ordained three new deacons.

Southern - Rev. O. Lee Gregory assumed duties as pastor in March, 1970.

Spindale First - Ordained Mr. Harold Thompson to the Gospel ministry Sept. 27, 1970.

HOMES FOR AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven, the Haynes Home, and Nursing Care Unit, in Winston-Salem; the Albermarle Home, in Albermarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of \$168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of \$80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional \$80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist People, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

By the way, if your church has not seen the excellent color motion picture depicting the life of one of the residents in the Homes, then may we suggest that you borrow it and show it. It can be borrowed FREE from the Program Services Department, 301 Hillsboro St., Raleigh, N.C. or from the N.C. Baptist Homes, Inc. Reynolds Park Road, Winston-Salem, N.C.

INTERRACIAL COOPERATIVE

The Department of Interracial Cooperation has the primary purpose of promoting more cooperation between the two Baptist State Conventions in North Carolina. The objective is to aid Southern Baptists and National Baptists in North Carolina in their effort to reach all people with the good news of the Gospel.

National Baptists in North Carolina are primarily affiliated with the General Baptist State Convention of North Carolina, Inc. Their membership is about 350,000 in over 1,600 churches.

There are seven fulltime workers serving with the Department of Interracial Cooperation. In addition to these about twenty people are employed annually as part-time summer workers. Both part-time and fulltime staff consists of whites and Negroes. Salaries of the staff members are shared by churches and associations in both conventions and by the Cooperative Program.

North Carolina Baptists have a wide variety of attitudes toward an all inclusive ministry. They range from churches who seek enthusiastically to evangelize and witness to people of all races and cultures, to congregations who refuse to allow their pastors to make mention of the need for better race relations in the community.

Through the work and the emphasis of the Department of Interracial Cooperation we have resource to suggestions and helps whereby we can all labor together with Christ in sharing the Gospel with all men.

MISSIONS COMMITTEE

“You must go out to the whole world and proclaim the Gospel to every creature, He who believes it and is baptized will be saved, but he who disbelieves it will be condemned (Mark 16:15-16 Phillips).” Thus Jesus commissions us and outreach is our theme.

It is the endeavour of the Missions Committee to be aware of specific needs and opportunities for Associational Mission work withing our immediate area and unto the uttermost parts of the earth.

With this concern upon the heart of each of its members there have been a number of meetings since the resignation of Rev. I.V. Couch as Supt. of Missions. Miss Jane Simpson was employed as interim secretary. Discussions have been held regarding the best way in which we, as an Association, may meet the challenge confronting us. It was concluded that “the fields are white already unto harvest” and our desire is that the Lord may send a fellow laborer to serve as Supt. of Missions to help us.

Please rest assured that your Missions Committee is earnestly at work and requests prayers for guidance from each of you.

SOUTH MOUNTAIN BAPTIST CAMP

Truly, the Lord was with us at South Mountain Baptist Camp again this year. Attendance was good and we had record breaking crowds the last of the summer. The last week we had 269 and we had to turn away 30. There were 1634 R.A.'s and G.A.'s that came to camp. Also 657 came to Day Camps or, over night retreats; A total of 2,291 for the summer. During the summer 19 churches came for picnics and to swim in our pool.

Our theme for this year was "Living Like Jesus." Rhea L. Ross wrote our theme song again this summer.

Our program included: Mission Study, Missionaries, Worship, Study of R.A. and G.A. work; Campers enjoyed good eats, swimming, fishing, horseback riding, softball, horse shoe, ping pong, badminton, frisby, and crafts.

A total of 940 campers and visitors made decisions for Christ during the summer and 162 of these were professions of faith. Also of these 17 made decisions for Special Service. Those who came learned much about R.A. or G.A. work, Missionaries or Pastors who had been to the Mission Fields were in every camp. A week at South Mountain Camp is filled with many unforgettable experiences. A new or renewed experience with God is a source of joy that will long be remembered. In many instances campers went home to be a blessing in their own church and community. Some churches immediately sent a donation to the camp. Others placed their camp in their budget.

The leadership of your camp seeks to hold high the demands of the Gospel. It is kept before the campers that a true child of God should grow more Christlike every day. He should also, seek to know and do the will of God.

Our Staff presented a program about our camp in nine churches during the summer. We might be able to come to your church during the winter months. Your camp director is to be with the camp work full time January 1, 1971. He will still be available to do interim pastorate work. The Executive Committee has voted to build a caretakers home in the near future. Nearly \$2,000.00 is in sight for a beautiful Chapel in the near future. So you see, there is opportunity for an investment by churches, industry, and individuals that will pay great dividends until Jesus comes.

Your camp is making a tremendous contribution to our Lord's work. Therefore she deserves the prayers and financial support of every church of Region Eight and other churches who use and appreciate our camp.

J.E. Brock, Representative

STATE MISSIONS

The over all purpose of State Missions is to lead people to Jesus Christ and help develop the churches. New churches are given counsel and financial assistance upon request, and when the current budget will permit. Churches that are unable to support a full time program are encouraged to form a field of two or more churches in order to have a pastor live on the field, minister to them, and lead them to develop their own resources.

State Missions provided training for Christian vocations through Fruitland Bible Institute and an ever growing number of Seminary Extension Centers. In a new ministry State Missions is ministering to thousands of people in Resort areas. State Missions reaches into our inner cities with needed Baptist Centers; into our military areas with

help through the local churches and specialized ministries. There is limited Chaplaincy ministry in correctional institutions. There is a thriving ministry to the deaf. There is a helpful ministry to other races. Help is given the churches in their own stewardship programs. State Missions offers help in the training of deacons, Sunday School leaders and teachers, and Brotherhood leaders. Many other services which can be extended by the Convention to the local churches are given at the request of the pastor or other recognized leadership.

The ministry of State Missions is a cooperative one. It is usually given in cooperation with the local church. An attempt is made to always work in cooperation with the local Baptist Association. A majority of our Associations are given financial aid through State Missions. Some State Missions projects are a cooperative financial effort of the Baptist State Convention, the Association, and the Home Mission Board.

Your State Missions ministry is supported by Cooperative Program receipts and the special September offering for State Missions.

There are 31 State Mission ministries. They are the following:

1. Adult Rehabilitation
2. The Apostoloi
3. Aiding Associational Missions

SUNDAY SCHOOL

Your Sunday School Superintendent has been very active this year seeking to learn and pass along information concerning changes for the 70's. Beginning the year, your Superintendent went to the Shaping the '70's Clinic in Ashville as part of the associational team. In February the Associational Shaping the '70's Clinic was held with a good attendance at both two night sessions held at Southern and Pleasant Grove Churches. Your Superintendent received the aid of Carl Walker and Ronald Pinkerton to provide aid for each church that would use our services in getting ready for the changes proposed in Sunday School work. We attended a preparation conference in Valdese. Each of us held individual conferences with several churches.

August 31 - September 4 was the highlight of the year as 121 persons enrolled in a four night study of the GUIDING SERIES for Preschool, Children, Youth, and Adult Divisions of Sunday School. Attendance averaged 92 with 59 persons receiving awards.

The Workshop was a success because of the diligent work of those assisting leaders, Rev. O. Lee Gregory, Adults: Robert Sparks, Youth; and Mrs. B.M. Wright, Spindale First.

Respectfully submitted,
William F. Bowen, Jr.
Sunday School Director

WOMAN'S MISSIONARY UNION

The day has finally arrived. The 1970's are upon us. Years of praying and planning have gone into the preparation for this year. October 1970 marks the beginning of much that is new for the WMU. There are new organization patterns, a new group-grading system, new program helps, new study course books, new periodicals, and new manuals.

With a new organization, grading, and study materials can WMU leaders and members be the same people? The answer is "No." These changes within themselves will not make the organization nor us better. We must become better people and be willing to change and to get involved.

As we begin anew, facing the challenge of the 70's, let us strive for a renewed sense of dedication--to our Master and to our work for Him. We have been entrusted with the sacred responsibility of guiding Mission Friends, Girls in Action, Acteens, Baptist Young Woman and Baptist Women in mission study, stewardship, prayer, and mission action.

To carry out the above directive is no small task. May we offer God our best--all we are and have--that we might be acceptable workers in the Master's Vineyard.

Grant that the WMU might pray for a new burst of spiritual energy when the challenge is so great--to dispel ignorance, to guide human lives, to alleviate pain, to shed loneliness, to comfort the bereaved, to clothe the naked, to feed the hungry, and to administer to the prisoner; but more importantly is to lead children, young ladies and adult ladies to become involved in extending Christ's Kingdom to the ends of the earth.

Activities relevant to our times, materials written to given us guidance, leaders dedicated and energized by the Spirit--these are the ingredients for a successful and fruitful year. May we pledge our best and given it for God's glory.

Respectfully submitted,
Mrs. Alma Lynch,
Associational WMU Director
